AUTO ACCIDENT

BASIS FOR SUIT

Edward L. Brown, 8 Years Old, Son of Cliff Brown, Asks \$5,000 Damages of Howard Warner

NINE NEW CASES ARE FILED

Two Husbands, Paul Spacey and Lewis F. Lytle, Seek Divorces—Suits For Small Judgments

The outgrowth of an accident in front of the Circleville school house last March, today resulted in the filing of a \$5,000 damage suit, when Edward L. Brown, an 8 year old boy son of Cliff Brown, brought suit for that amount against Howard Warner, who is alleged to have struck the plaintiff with his automobile, while the school hack was being loaded with children late in the afternoon.

According to the complaint Warner was driving his automobile south on the road, and the automobile used for transporting school children was in front of the school, loading pupils to take them home.

The young boy, it is alleged, was struck by the machine knocked down and rendered unconscious for four days; suffered a broken left arm, bruised head, legs and body, from all of which he has not permanently recovered.

The complaint states that Warner drove his machine in a careless, reckless and negligent manner, at an excessive rate of speed, from 30 to 5 miles an hour.

The above suit was filed together with eight others, by Chauncey F. Duncan, an attorney, who represented all of the plaintiffs.

One action has been filed by Orville R. Kirkham against Gifford Cook and others to foreclose an automobile lien and for an account, in which \$100 judgment is demanded. Alden Coulter and Ray Hunsinger, a firm doing business under the name of Coulter and Hunsinger, have also sued Gifford Cook, on a complaint on a note demanding \$175 and on an account demanding \$30 judgment.

Two divorce actions also are included in the suits filed today. In each case the husband seeks a separation from the wife.

Paul Spacey, in his complaint against Ida May Spacey, alleges that they were married in November, 1915 and separated December 30, 1920. He maintains that she was quarrelsome, pouty, cold and illnatured, and used profane and bad language toward the plaintiff. He further says that she did not try to keep house. The plaintiff also asks the custody of their two children, stating that his wife is not a fit person to rear them.

SWEEPSTAKES WON BY ARGUS WAGONER

Orange Township Man Who Took Cup at Rush County Corn Show Victorious in Iowa

CLASSES OPEN TO THE WORLD

The class of the corn displayed at the annual Rush county corn show last month is disclosed by the announcement today that the single ear of white corn, with which Argus Wagoner of Orange township won the single ear sweepstakes here, also took the single ear sweepstakes prize at the show held by the Southern Iowa Breeders' association, at Oskaloosa, Iowa recently.

The Iowa show was open to the world and Mr. Wagoner had some stiff competition in the single ear class as well as in the class for ten ears of yellow corn in which he won fourth prize.

The fact that the Iowa show was open to the world indicates that the judge at the Rush county show was not mistaken when he said that the entries here were such that Rush county growers need have no fear of opening class to all comers at the next show.

Mr. Wagoner's prize money in the Iowa show amounted to \$20.

WILL HAVE CLASS MONDAY

Knights of Pythias to Initiate 12—At Morristown Wednesday

Approximately twelve candidates from Milroy and Rushville will be given the first degree in amplified form at the meeting of the Knights of Pythias lodge next Monday evening. The local degree team will give the work.

About thirty members of the Rushville lodge attended the meeting of Morristown lodge Wednesday evening when a class of fourteen candidates were initiated. The local staff gave the first degree in amplified form and the second and third was given by the Morristown lodge. A banquet was served by the ladies aid society of a Morristown church.

SHORT COURSE PROGRAM READY

Includes Lectures by Three Experts and Many Musical Numbers by Rushville Talent

TO BE HELD AT GRAHAM ANNEX

Eight Reels of Agricultural Moving Pictures and Charts to be Used in Illustrating Addresses

The program was announced today for the agricultural short course which will be held at the Graham Annex auditorium February 2 and 3. It includes, in addition to lectures by the three experts provided for the course, a large number of demonstrations and several musical numbers by Rushville people.

The lectures will be given by Prof. P. G. Holden, educator and agricultural leader, who discusses all farm and community subjects; Miss Zella Wigent, who teaches home conveniences, poultry, birds, demonstrates canning and pressure cooking; and R. R. Robertson, who will discuss in lectures, fruit, potatoes, farm crops and soil.

Eight reels of agriculture moving pictures and many charts will be used to illustrate the lectures. There will be a box in which people attending the course may leave questions, which will be answered by the lectures at each session. The program will be as follows:

Wednesday February 2

1:30 p. m. Mens Session.
Music. Sparks' Quartet.
Reading.
"Fitting Live Stock in the System of Farming" Prof. Holden.
"Lime and Legumes" Mr. Robertson.
Question Box.

1:30 Women's Session.
Music, High School Glee Club.
"Making Mothers' Work Easier," Miss Wigent.
Vocal Duet, Mrs. Beher and Mrs. Green.
"Keeping Well," Miss Wigent.
Motion Picture—"Milk Nature's Perfect Food."

7:30 p. m. Joint Session.
Music, High School Band.
"Communities are made of Folks—Not Farms, Houses and Factories," Prof. Holden.
Vocal Solo, Irene Reardon.
Motion Pictures—Farm Inconveniences, Household Conveniences.

Thursday, February 3

10:00 a. m. Joint Session.
Music.
"Better Country Schools for our Boys and Girls—Prof. Holden.
"School Lunches, Hot and Box," Miss Wigent.
Motion Picture, Make More Money From the Farm Poultry.
Question Box.

1:30 p. m. Men's Session.
Orchestra.
Lecture on Corn—Prof. Holden.
Lecture on Soil Fertility—Mr. Robertson.
Question Box.

1:30 p. m. Women's Session.
Music—Girls' Glee Club.
Pressure Canning of Meat, Miss Wigent.
Music.
"Fight The Fly" Miss Wigent.
Question Box.

The above program is subject to any suggestions.

MURDER TRIAL TO BEGIN ON MONDAY

Fate of Fred Dunn Accused of Killing Wife Will Once More be Given Over to the Jury

SPECIAL JURY IS CALLED

Thirty Names Draw Because Dunn Was Tried Earlier in The Same Court Term

For the second time this term of court, Fred Dunn, accused slayer of his wife Cordelia Dunn, will go on trial in the Rush circuit court, beginning on Monday. Dunn's previous trial opened the present term of court and indications now are that his trial will end the same term.

In the former trial, which took up an entire week, the jury failed to reach an agreement and was discharged as far as this case was concerned. Because of the regular panel having been on the jury before, Judge Sparks today ordered a special venire of 30 names drawn to report for Monday morning.

It is thought probable that a jury to try the case will not be obtained from these and that talisman will have to be pressed into service from the outside.

Dunn has been in jail since the crime was committed last September. Only on one or two occasions has he been removed from the cell since his confinement, those times being when his former trial was in progress and once or twice for getting a shave and hair cut.

The defendant is white, having what is known as jail pallor, because of the long confinement. His appetite is said to be very good, but he talks very little to anyone, and Sheriff Jones stated today that he does not pay much attention to the fact that his trial will begin on Monday.

During the time since his former trial both sides have added evidence the defense basing their plea on insanity, while the state will attempt to prove that the defendant has a criminal record, and that the killing of his wife was premeditated.

The question of his guilt is not a matter for the jury to decide. This fact has been established and is undisputed, but it is up to the jury to decide his fate. The former jury failed to decide upon his fate, four of whom wanting to send him to the criminal hospital for the insane, and eight for life imprisonment. The state in their plea, will demand the death penalty.

The November term of court comes to an end next Saturday, and it is very likely that the entire week will be taken up with the murder trial, and the opening day will most likely be taken up with securing a jury.

FARMERS DECIDE NOT TO SELL POOLED WOOL

Representatives of Township Associations Hold Meeting to Decide on Offer Made

CLIP IS STORED IN CHICAGO

At a meeting of the representatives of the township farmers associations, which compose the Rush County Farmers' association, Wednesday afternoon, it was decided not to sell the Rush county wool clip which was pooled and is now stored in a warehouse in Chicago.

The chairmen of the wool committees of the township associations were called together for the purpose of considering an offer which had been made for their wool, and it was decided that the price offered was not large enough to merit acceptance at this time. Wool growers feel that the market will get better as the season progresses.

There was practically no market last fall when the farmers were ready to sell and it was for that reason that they stored their clip in a Chicago warehouse. The wool produced in this county, which was pooled and is now in storage, amounted to a car load.

REVIVAL INTEREST ON THE INCREASE

Both Afternoon and Night Services at St. Paul's M. E. Church Are Largely Attended

BIBLE VERBALLY INSPIRED

Dr. L. W. Munhall Answers Question at Night Meeting—Shows Facts of Spiritual Death

The revival meetings in St. Paul's M. E. church are moving along with increasing interest. The attendance at the 3 p. m. meeting yesterday was fine. The evangelist spoke on the subject of "Acceptable Prayer". He pointed out from the Bible the fact that only Christians can offer such prayer; and then called attention to four characteristic conditions—confession, thanksgiving, adoration, (worship) and supplication. He called special attention to the fact that Jacob did not wrestle with the angel but the angel wrestled with Jacob in order to bring him to terms. One does not have to coax God to do what he is more willing to do for him own than a father would be to give bread to his starving son, Dr. Munhall said.

The night service was largely attended, interesting, instructive and enjoyable. There were leading business and professional men present in an unusually large number. The Rev. L. E. Brown, pastor of the Main Street Christian church, made the opening prayer.

Dr. Munhall replied to a question, "Do you believe the Bible is verbally inspired?" He answered sure. If the Bible is at all inspired it must be verbally inspired since it is composed verbally of words, he said. The preacher then took for his text John 5:40; and expounded the same, showing the facts of spiritual death; and that Jesus had brought life and immortality to light in the gospel and that here was nothing to prevent anyone from having it, save their unwillingness to take it.

The conditions are repentance, conversion and faith, Dr. Munhall stated. He explained these scripturally and illustrated them in such practical ways that all thoroughly understood the method of salvation.

CLARA DEMAREE GETS SUSPENDED SENTENCE

Greensburg Woman, Charged With Conspiracy to Commit a Felony, Pleads Guilty

ALSO FINED \$25 BY COURT

Clara Demaree this afternoon appeared in the circuit court and entered a plea of guilty to the charge of conspiracy to commit a felony, and was given a sentence of from two to fourteen years at the Indiana State Prison for Women and fined \$25. The sentence was withheld during her good behavior.

The action came as quite a surprise, as the Demaree cases were almost forgotten. Those in the court room today were Dr. D. H. Dean, whose home was robbed by the Demaree brothers, Prosecutor Stevens and L. G. Tremain, representing the Big Four railroad, and all three of them recommended to the court that the sentence be suspended.

Mrs. Demaree is said to have given out considerable information concerning other robberies, and because she aided in the mystery, the court decided to give her a chance. Her husband, Boaz Demaree, is now serving a sentence, as well as several others who were arraigned in connection with several robberies.

One more defendant, Gregg Alvey, remains to be tried and some action is expected during the next term of court. Mrs. Demaree and all of the defendants lived in Greensburg.

BABY GIRL BORN

A ten and one-half pound baby girl was born Saturday to the wife of Frank Mazingo. The child has been named Mildred Laverne.

TO MAKE CABINET IN SOUTH

Decisions Will be Made by Harding at St. Augustine, Florida

(By United Press.)

Marion, Ohio, Jan. 20.—The real conferences will take place at St. Augustine, Florida, where President-elect Harding will enter into the actual cabinet making, it was learned today.

There is no Harding cabinet as yet. A shadow is even cast over the selection of Charles Evans Hughes today. He has been mentioned as a favorite for the post of secretary of the state.

Harding's original plan had been made to make public the names of the secretary of state, treasury and one other cabinet officer.

BILL AIMED AT WOMAN VOTERS

Measure Introduced in House Provides all Citizens of State Shall Pay Poll Tax

PERMANENT REGISTRATION

Another Bill Would Open Records in June For Voters Who Have Moved to Register

(By United Press)

Indianapolis, Ind., Jan. 20.—A woman poll tax bill and a permanent registration bill found their way into the legislative hopper at today's session of the general assembly.

Representative Bedgood of Lafayette presented the poll tax measure providing that all citizens of the state between the ages of 21 and 75 shall pay a poll tax, which was directly at the new women voters.

The permanent registration bill was introduced by Senator Grayson of Vincennes. It provides the registration books used at the last general election shall constitute a permanent registration of voters and shall be opened in June for registrants who have moved from their precincts.

The senate adopted a resolution which was introduced by Senator Beardsley which says no bill may be introduced after the twenty-fifth day of the session. The report of the committee on rules recommended no changes in the rules.

Representative Davis of Jay county announced the house committee on Judiciary A, of which he is chairman, will hold a public hearing next Tuesday afternoon on Representative Smith's bill which would abolish the public service commission and reestablish the railroad commission.

No business of importance was transacted at this morning's session of the house of representatives and that body adjourned after forty minutes in session.

TO HURT AMERICAN MARINE

British Interests in Deliberate Campaign, it is Charged

Washington, Jan. 20.—Charges that the agents of the United States shipping board disapproved of the establishment of an American shipping line out of Newark, New Jersey because it would injure business of the British lines, were made public today by Senator Jones, of Washington.

Charges that the British interests had conducted a deliberate campaign to destroy the American merchant marine, were made, said Jones, and that the international American merchant marine had agreed with the British admiralty to pursue no policy which would be injurious to the British trade.

Our principal competitors for the world trade is Great Britain who will do everything possible to keep us off the sea, Jones said.

FIVE CENT LOAF APPEARS

Kansas City, Mo. Jan. 20.—The five cent loaf of bread was back in Kansas City today. The loaf weighs thirteen ounces and cost 4.14 cents to produce it. The baker of the new Loaf, Frank Cline, stated that the sale of bread jumped from 400 to 600 customers a day.

DEFENDANT WINS IN DAMAGE SUIT

Jury Returns Verdict For Bert Timberman of Near Glenwood, Who Was Sued for \$2,500

JOHNSON SEEKS NEW TRIAL

Man Recently Found Guilty for Alleged Cheating in Hog Sale Wants Another Hearing

The jury returned a verdict for the defendant late yesterday afternoon, in the case of Gilbert Reynolds of Connersville against Bert Timberman of near Glenwood, and only a few minutes were required for them to reach a decision, after getting the case shortly after five o'clock.

Reynolds, the plaintiff in the case, will also have to pay the costs, which will amount to a large sum, as the case required two days for trial, and most of the witnesses were from Connersville.

The case was the outgrowth of an accident in that city over a year ago, when the defendant was said to have driven his automobile into a bicycle ridden by Reynolds. The latter received a broken leg and other injuries.

The plaintiff in this case was represented by Wiles and Root of Connersville and Douglas Morris of this city, and the defendant was represented by C. W. Duncan, of this city.

John M. Johnson, against whom was placed a fine and a ten day jail sentence by a jury recently in circuit court on a petit larceny charge, has filed a motion for a new trial. Johnson, it will be recalled, was found guilty of placing 82 pounds of rock in his wagon, to replace "pork on foot". No action has been taken by the court on his motion for a new trial.

The case of long standing in circuit court, sent here on a change of venue from Fayette county of the F. W. Cook Brewing Company of Evansville against the Hyatt Hotel Company, has been dismissed. The case was to collect on an account, in which several cases of beer were involved, and were sold to the hotel which operated a saloon in Connersville, during the "wet" days.

Evidence concerning support in the divorce case pending by Emmett McGinn against Dora McGinn, which was heard recently, an allowance of \$10 a week has been granted the defendant during the pendency of the divorce case.

The Cincinnati, Indianapolis and Western railroad, which is a defendant in three cases filed recently by Cary Cross, has filed a motion

EUROPEAN RELIEF FUND IS MOUNTING

Total For County Goes to \$1,905.55 and Will Probably Amount to More Than \$2,000

LAST TOTAL REPORTED \$1845

The fund being raised in this county for the European Relief Council, the organization which Herbert Hoover is sponsoring for the aid of starving children in Europe, has been increased to \$1,905.55 by recent subscriptions which have been received by Robert E. Mansfield.

It was predicted some time ago that the Rush county contributions would mount to \$2,000, but it is now indicated that they will go above that sum. The last total reported was \$1845.55, and since that time the following subscriptions have been made directly to Mr. Mansfield or have been reported as having been sent to the state or national organization or through the Literary Digest:

Sarah E. Ball	\$10.00
John Abercrombie	5.00
John McCoy	5.00
I. L. Endres	10.00
Samuel L. Innis	5.00
Knights of Columbus	15.00
Shuster & Epstein	10.00

The Mauzy Co.

THE MID - WINTER SALE

Of greater significance than ever before in the history of merchandising is the Mid-Winter Sale of this year. It marks the return of lower prices and conscientious effort to repay patrons for the strife of a long era of high prices. Any merchandise purchased in this sale you may know has been reduced radically in this movement to stabilize the low-price level. Your immediate purchase of apparel needs is a forward step in the maintenance of that low-price level.

Our Midwinter SILK Occasion

The public's attitude toward a sale is a true measure of its worth. When there is such enthusiasm, such buying as always attends our silk sales there can be but one conclusion — the values are unmatched.

THE MAUZY CO.

RUSHVILLE, INDIANA

A RAW, SORE THROAT

Eases Quickly When You Apply a Little Musterole.

And Musterole won't blister like the old-fashioned mustard plaster. It penetrates to the sore spot with a gentle tingle, loosens the congestion and draws out the soreness and pain. Musterole is a clean, white ointment made with oil of mustard. It is fine for quick relief from sore throat, bronchitis, tonsillitis, croup, stiff neck, asthma, neuralgia, headache, congestion, pleurisy, rheumatism, lumbago, pains and aches of the back or joints, sprains, sore muscles, bruises, chilblains, frosted feet, colds on the chest. Nothing like Musterole for croupy children. Keep it handy for instant use.

Personal Points

—Miss Clara Martin is spending the winter in Chicago, the guest of her sister.

—J. D. Case was expected home today from a business trip to Pennsylvania.

—W. A. Young left this morning on a business trip to Indianapolis and other cities.

—Mrs. Fred Woods went to Shelbyville today for a few days visit with relatives.

—Glenn E. Moore was among the business passengers this afternoon in Indianapolis.

—Dr. E. I. Wooden was among the business passengers this afternoon in Indianapolis.

—Mrs. C. J. Jones of Newport was a visitor in this city today.

—I. L. Endres has returned from Chicago where he has been attending the furniture show.

—Mrs. Nora McGinnis left this morning for Kokomo, being called there on account of the serious illness of her sister, Mrs. Bertha Clesinger of that city.

—Vernal Casady of Lakeside hospital, Cleveland, Ohio, has returned to his home after a few days visit here with his parents, Mr. and Mrs. James Casady.

—Mrs. Alva Detmar and Mrs. John Ditmar have returned to their home in Franklin, Ind., after spending a few days in this city, the guests of Mr. and Mrs. Alvan Moore.

—Paul T. Colvin has returned to his home in Battle Creek, Mich., after visiting his wife, who has been ill at the home of her parents, Mr. and Mrs. James Gregg in North Harrison street. Mrs. Colvin is now greatly improved.

Amusements

"An Amateur Devil"

A thoroughly enjoyable picture, filled as it is with mirth-provoking situations, is Bryant Washburn's latest Paramount picture, "An Amateur Devil" which will be shown at the Princess Theatre today and Friday. All who have had experience in peepless wooing, kickless kisses and the like, will find this a veritable school of instruction in the art of how and how not to make love.

"An Amateur Devil" tells the funny story of a young man who tries most unsuccessfully to "disgrace the family."

"An Amateur Devil" presents Bryant Washburn in the role of a young man who is too slow to catch cold. His father, a more lively individual, enters into a conspiracy with the young man's fiancée, portrayed by Ann May, to wake him up. The plan succeeds, even more than even they desired. Maurice Campbell directed the production from the scenario by Douglas Bronston.

County News

Freemans

The Misses Mary Patterson and Irene Briekler spent Wednesday night with Florence and Bessie Clark.

Henry Brown returned to Indianapolis Monday.

Mr. and Mrs. Bryan Brown were the guests of Roy Brown and family Sunday.

Charley Kincaid is ill at his home here.

A large crowd attended the church services at Hopewell Sunday.

AT POSTGRADUATE COURSE

Dr. D. D. Dragoo Taking Special Work in Indianapolis

Dr. D. D. Dragoo, local veterinarian, is in Indianapolis for a few days attending a post graduate course which is being offered at a veterinary college in that city, and some of the best authorities on swine diseases will address the assembly during the course. Prominent among the speakers is Dr. A. T. Kinsley of Kansas City, who is a recognized authority on small pig vaccination which he will deal at length with while in Indianapolis. Dr. L. A. Merrill of Chicago will also be on the program; Dr. John F. Devne of New York will have charge of classes dealing on "Sterility in the Cow," and Dr. T. H. Ferguson of Michigan will discuss diseases of cattle.

All of the instructors are picked from leading colleges, and the course will be attended by most of the veterinarians of the state.

LOSE BY ONE POINT

The Carthage Independents "Yankee Five," lost a hard fought game Tuesday night to the Spiceland team 18 to 17. The Carthage team had a lead the first half, 10 to 9, and the game was not won until the final whistle blew.

SMALLPOX IN DECATUR

Two cases of smallpox have been reported at Westport, a short distance from Greensburg, and the victims are from the Milroy vicinity, who are well known here. Paul Rardin, formerly with the Milroy Press, but now editor of the paper at Westport, is one of the victims, and Paul Stewart, a drug clerk, is also quarantined with the disease.

BOND FIXED AT \$10,000

Indianapolis, Ind., Jan. 20.—Alpha Holiday today pleaded not guilty to a charge of using the mail to defraud in a Muncie, Ind., situation. He is charged with offering his customers rates of 50 to 75 percent a month on their investment. He was released on a \$10,000 bond which was signed by his father and an uncle pending grand jury investigation.

FRANK MADDEN IMPROVES

Frank Madden who was operated on several days ago at an Indianapolis hospital for goiter is improving nicely and will return to his home in this city the first of next week.

Zero in Fascination.

Personally we don't know any kind of merchandise that looks less fascinating than a hair switch in a show window.—Dallas News.

The Kidneys

The kidneys are very important organs, because they filter and purify the blood. All the blood in the body is said to pass through the kidneys every three minutes. The kidneys strain and filter out the impurities of the blood—that is their work, and a little nerve which comes from the brain, down through the spinal column, furnishes the power with which the kidneys do their work. What if this little nerve becomes impinged between the bones of the spine where it passes out, and shuts off part of this power with which the kidneys do their work? The kidneys become sick or work overtime and soon you have one of the many kidney diseases. About eight-tenths of our body is moisture and it is said the kidneys have to do with all this moisture.

The human body is generally regarded as a most wonderful and intricate piece of mechanism. The central pivot, upon which hangs every unit of this mechanism, is the vertebral column. The spine thus becomes the most important part of the body.

OUR CHIROPRACTIC ADJUSTMENTS will keep the kidney nerves free from pressure and thereby assist them to perform their proper function.

DUSTY MILLER & KEMPLE, Auctioneers
Phone, Barn 1571, or Residence 2214.

Public Sale!

The undersigned, Trustee in Bankruptcy of Casper Johnson, will on
FRIDAY, THE 4th DAY OF FEBRUARY, 1921
SALE TO COMMENCE AT 10:00 A. M.

At the training barn, known as the Wm. A. Jones Training Barn, one-fourth mile south of Rushville, Ind., on the Harrie Jones farm, known as Riverside park, sell all the personal property of Casper Johnson, as follows:

Seven Head of Horses

Two roan draft mares, four years old; one gray draft mare four years old; two draft colts, coming two years old; one light harness gelding five years old.

Cattle—One Jersey Cow and 1 Shorthorn Calf

Farm Implements

Four farm wagons, four flat beds, three gravel beds, one cultipacker, four corn cultivators, two riding break plows, two double discs, one manure spreader, one steel roller and other farming implements. Eight sets of work harness, one carriage and 1 spring wagon.

Said trustee will at the same time and place, if the property of said Casper Johnson does not bring sufficient money to pay two certain mortgages, offer for sale the following:

Six Head of Horses

Two draft mares ten years old, two sorrel mares five years old, one black mare ten years old and one bay draft mare five years old.

One Jersey Cow

TERMS OF SALE—All sums of \$25.00, cash. On above that sum a credit of six months will be given. Purchaser to give note with good security. Said notes to draw 6 per cent interest from date. All settlements to be made with cashier.

JAMES V. YOUNG, Trustee

RAY COMPTON, Auctioneer.

RUE WEBB, Cashier

The Best Amusement Organization Ever on Tour Coming to Auditorium, Connersville, Ind. One Night, Monday, Feb. 7

In announcing Guy Bates Post and his excellent company as the best amusement organization ever placed on tour I am only repeating the opinion expressed by every theater manager where this matchless attraction has been presented.

When negotiations began to have Mr. Post REMAIN in the United States during the present season, his manager, Richard Walton Tully, had already completed arrangements to have Mr. Post and his unusually excellent company appear in Mr. Tully's theater in London in both "Omar the Tent Maker" (his former success) and "The Masquerader," in which Mr. Post has been so phenomenally successful the past four seasons.

When Sothern and Marlow announced they would remain in Europe during the present season the Associated Theater Managers of the United States did not relish the plan of having the two leading Dramatic Attractions—Guy Bates Post and Sothern and Marlowe—both absent from America at the same time, and as Mr. Post had but recently toured Australia, it was deemed best to have him again tour the United States before making a prolonged run in London and the English Provinces. The Manager appointed Mr. Tom Campbell, of the Tulane and Crescent Theatres, New Orleans; Mr. L. N. Scott, of Minneapolis and St. Paul Metropolitan Theatres, and Geo. Hood, who represents the entire Northwest, to arrange to have Mr. Post again tour the United States.

Retaining the same excellent company that was to have visited London, will visit the leading cities of the United States, and, excepting for a few minor roles, it is the same company that has presented this unusual success for almost four consecutive and continuous seasons—the same wonderful scenic equipment—with its massive double revolving stage, its two mechanical crews—its triple electrical equipment and inimitable resources that require three mammoth cars to transport, will visit Connersville just one night, Monday, February 7th.

The stage of the Auditorium theatre is large enough to accommodate any attraction that has ever gone on tour, BUT THE STAGE MUST BE CLEARED OF EVERY VESTIGE OF HOUSE SCENERY AND PROPERTIES, AND THE REGULAR CURTAIN REMOVED TO ACCOMMODATE MR. POST'S MASSIVE PRODUCTION.

THE BOX OFFICE WILL BE OPEN FOR REGULAR SALE OF SEATS, THURSDAY, FEBRUARY 3.

MAIL ORDERS will be filled in order received now, when accompanied by cheque or Postoffice money order, together with self-addressed stamped envelope (to avoid error)—add amusement tax of 10%.

The mail orders and advance sale for this unusual attraction will undoubtedly be the largest in the history of the theatre and we earnestly suggest early application for seats.

PRICES—Boxes, \$3.50; First Floor, \$3.00; Balcony, first four rows, \$2.50; Last three rows, \$2.00; Gallery, \$1.00.

Respectfully,
J. C. SCHILLING,
Manager.

No one seated during the prologue. Curtain 8:15

A Good Example

A recent estimate in the senate placed the cost of the inauguration at \$1,000,000. Of that sum the citizens of the District of Columbia were to raise about \$200,000 and congress was to appropriate about \$100,000. The balance represented the cost of various troops for the big parade, and the expenditures of thousands of civilians who were planning to attend the ceremonies from all parts of the country. By a stroke of the pen President-elect Harding has saved the people that huge sum, and demonstrated once more how close to his heart he holds their welfare.

The communication from Senator Harding expressing his preference for a simple but stately inauguration ceremony involving no extra ex-

pense has received the hearty approval of practically everybody except those who expected to profiteer during the period when Washington would be crowded with inauguration visitors. It is reported that some of the hotels had put their inauguration rates up to \$250 per room and people owning buildings along Pennsylvania Avenue were planning to reap a small fortune from leasing space at windows to watch the parade.

Calling off the elaborate ceremonies will save the government not only the cost of preparing grand stands and reviewing stands but the cost of transporting and caring for soldiers of the infantry, light artillery and cavalry, members of the marine corps and sailors in the navy. During the Taft inauguration the weather was extremely severe, notwithstanding which thousands of soldiers endured the suffering of exposure and many of them were made seriously ill thereby.

At the Wilson inaugural some of the military and other organizations stood in line for many hours before the parade began, suffering for want of food and drink and enduring the hardship of what seemed interminable delay. All this will be avoided as a result of Senator Harding's request that an elaborate inauguration ceremony be dispensed with.

The Decision of The House

When the national house of representatives voted Wednesday not to increase its membership, very good judgment was exhibited because the lower branch of the congress is already so large that it is almost unwieldy. Incidentally it means the loss of one seat in the house for Indiana because of the shift of population in the last decade and may mean a change in the sixth congressional district, of which Rush county is a part.

The vote in the house was some-

what of a victory for Congressman Louis W. Fairfield of this state, who led the fight to prevent an increase in membership. His answer to the charge that present representation was inadequate is that members not only represent their own district but the whole country. With further restriction of their districts they would tend to become more provincial in their thought and the welfare of the nation as a whole would suffer.

"While it is true," declared Mr. Fairfield, "that every member of congress is immediately answerable

to the folks at home and should work diligently for every legitimate interest of the people of his own district, yet in a far larger sense he solemnly obligates himself in the interest of the whole country."

President-elect Harding's decision to make the cabinet republican should not be difficult to carry out, judging from the returns in the last election.

It is very natural for an importer of sugar to oppose an increase in the tariff on that commodity.

THE TREND of LEGISLATION

BY GEO. W. STOUT
State Chamber of Commerce

Indianapolis, Ind., Jan. 20—With proposed general appropriations of \$7,722,198.40 already outlined, for the consideration of the legislature, it would appear that something in a practical way had been done to speed business. Usually the appropriation bills do not appear until the session is more than one-half gone, and ordinarily those bills get in the last big tangle and are with extreme difficulty enacted in time to permit the weary law-makers to hike for home at midnight on the final legislative day.

There is a chance, apparently, that the time-honored custom of procrastinating on appropriations is to be done away with this year. However, there are certain measures and issues that are liable to intrude themselves after the manner of wire-entanglements on a battlefield.

Salary-increased bills, while seemingly not popular with the legislators, are certain to consume considerable time for debate and committee consideration, regardless of their final fates. There are to be plenty of these bills. They are bobbing on every wayside bush at this time, and some already have been slipped into the hopper.

The appearance of these salary measures has led to talk a majority caucus for an exchange of views. Certain majority law-makers hold that it would be political suicide to plunge into indiscriminate salary-increase program at this time.

"Avoid making salary increases" is the general proposition advanced by students of the politics of the situation. The voice of the taxpayer is heard in the land, according to those who keep an ear turned toward that region known to politics as "back home". It is the common view that the taxpayer, under existing conditions, is more or less likely to resent salary-increase activities at the legislature.

Some leaders are inclined to make short shrift of all salary-increase bills, permitting the deserving to suffer for another two years in order that a clean slate for economy may be exhibited by the majority at the close of the session. In this connection the supreme and appellate judges, for whom a salary-increase bill was started, are liable to join circuit and superior judges in the disappointed list. It is reported that the bill to increase the pay of the higher court judges already has been strangled in a senate committee. There is to be a stiff fight against the bill to increase to \$5,000 a year the salary of the city judge in Indianapolis. Notice of this hostility was served immediately upon the advancement in the house of that salary bill with an emergency clause attached as an amendment. One spokesman for economy called the house sharply to attention when this bill was hurried along the channel with its emergency tail flying in the breeze. The result has been a rapid crystallizing of house sentiment on the issue of salaries and the attitude of the taxpayers with reference thereto, as well as the probable attitude of said taxpayer toward the

political party that makes salary-increases.

Today in the house a salary bill on a different basis was receiving some more favorable comment. This bill would take away certain fees from six Marion county officers and put these six officers on salaries more nearly commensurate with their service than the pay they have been getting for many years past.

The bill would save the taxpayers of the county more than \$142,000 a year. A saving of \$142,000 per year from the salaries taken by six county officers offers an astounding item for the contemplation of Marion county taxpayers and for the consideration of the law-makers.

It is shown by the record that the treasurer of Marion county, who also is treasurer of the city of Indianapolis, has taken actual profits of more than \$80,000 a year out of that office. The sheriff, recorder, clerk and auditor also have been getting considerably more than a reasonable profit from their offices. The bill in prospect and pending, which is expected to get a practically unanimous support, provides salaries more than ample and generous, but turns to the county enormous sums in fees which heretofore have been going to private pocketbooks.

It was reported last fall that the county treasurer of Marion county, practically unaided, was meeting the campaign expenses of his party's committee in the local fight. With the revelation of the fact that the treasurer's office has meant a "clean-up" of \$80,000 annually to the holder, there is less wonder because of his generosity as a political "angel" for a needy campaign organization.

Not long ago it was shown that the sheriff of Marion county was taking down \$50,000 a year as clear profit from that office. The office now is good for \$30,000. And so it goes. The Marion county clerk at this time is allowed per diem amounting to some \$22,000 a year and insanity fees, which aggregate a large amount, and \$31,000 in salary, which latter is practically all clear gain.

The senatorial fight, masked back of the primary repeal issue, is expected to absorb a lot of valuable time this session. Opinions differ as to the outcome of this controversy. Gov. McCray, meeting the recent challenge of the primary supporters has placed his pushing power back of the Beardsley senate bill to repeal that part of the primary law which compels aspirants for governor and United States senator to take their candidacies to the men and women of Indiana for a direct vote. So the issue is made and the fight is on. It is generally admitted the women of Indiana are in a position to settle the primary repeal issue one way or another.

Taxation is another issue which is expected to draw heavily upon the time of the law-maker. This vital subject was approached in 1919 with comparatively little preparatory study and the same thing apparently was true as to the special session which made certain amendments that do not work. Time will

tell how well the present session is prepared on the tax question.

Home Journal Patterns

Thousands of satisfied customers in our
county use only Home Journal Pat-
terns. There must be a reason. Are
you among them? Patterns for Feb-
ruary are now on sale, as well as the
Style Books.

The Mauzy Co.

THESE ARE OPTIMISTIC DAYS

That a great nation-wide readjustment should have been so suc-
cessfully executed in the short period between two seasons, is a
tribute to American industry. This in itself is a sound basis for
thorough confidence; a reassurance that we may look to the future
with optimism; an inspiration for everyone to work for a real era of
prosperity.

Choose a Separate Skirt Now!

The values are outstanding—the materials and styles all that could be
desired. Beautiful plaids, stripes and plains in soft but firm woollens
or lustrous silks in regular and stout sizes. There are so many that
we cannot quote separate prices but suffice it to say you may save
now

THE MAUZY CO.

RUSHVILLE, INDIANA

Members of the Psi Iota Xi sorority will hold an exchange Saturday January 29. The place where the exchange will be held will be announced later.

Mr. and Mrs. Ernest McCoy entertained at their home last evening in honor of Mr. and Mrs. Rean of Marion, Ind., who are visiting Mr. and Mrs. Orville Bartlett.

The War Mothers met in the assembly room of the court house yesterday afternoon and held a business meeting. No business of importance was transacted at this meeting.

Mrs. Lewis Sexton assisted by Mrs. John Zeigler and Miss Lenna Buell, entertained twenty-seven members of the Band of Workers of the First Presbyterian church yesterday afternoon at her home in North Perkins street. The regular business meeting and program was carried out and during the social hour a dainty luncheon was served.

Mrs. E. C. McMahan delightfully entertained the members of the Industrial Club today with an all day meeting at her home in West Second street. The ladies spent the day quilting and knotting comforts. At noon a delicious pitch-in dinner was served to the ladies present.

The Marion Social Circle met this afternoon at the home of Mrs. Bert Moorman in North Morgan street. The ladies were entertained with an informal social party during the afternoon and at the close of the meeting the hostess, assisted by Mrs. Tom Kirk, served dainty refreshments.

Mrs. R. R. Stewart, president of the First Baptist Ladies Aid society, entertained the society yesterday afternoon at her home in West Fifth street. A number of the ladies were present and plans were made for an all day quilting and pitch-in dinner next Wednesday at the home of Mrs. Stewart. Plans were also made for a penny supper to be held Friday night, January 28 at the church.

The Ladies Aid Society of the Methodist church of Arlington held a very enjoyable meeting yesterday at the home of Mrs. John Eaton in Arlington. Thirty-nine ladies were present and enjoyed the day quilting. At noon a bountiful pitch-in dinner was served to thirty-two members of the society and the Rev. and Mrs. Daniel Ryan of Morristown, and members of the Arlington school faculty.

AUTO ACCIDENT

BASIS OF SUIT

Continued from Page One
Lewis F. Lytle in a complaint for divorce from Lorraine Lytle alleges that the defendant was guilty of associating with other men and women of bad reputation, and that she was extravagant and wasted large amounts of the plaintiff's funds in unnecessary living expenses.

The plaintiff states that he resides at 117 East Sixth street, Rushville, and that the defendant is not a resident of this state, but lived in Fort Madison, Iowa, when last heard from. They were married in January, 1919, and separated in January of this year.

Elmer Ryan has filed a petition with the court against Ruth Ryan, his former wife, asking that a decree be modified concerning the custody of their child. He asks for the custody of the child a portion of the time as the decree provides for the divorced wife having the custody. He maintains that the child is 5 years old and that he has not seen it since the decree was issued.

Walter E. Smith has filed a suit to foreclose a chattel mortgage against Henry P. Mook, in which \$200 judgment is demanded. Van E. Lewark has brought suit against Charles L. Stout, on a suit on a note and account in which \$190 judgment is sought.

In the last of the nine suits filed today, the Capitol Lumber company of this city is the plaintiff against Thomas H. Stout, on a complaint on a note, demanding \$100 judgment.

FAVORS DISARMAMENT

Washington, Jan. 20.—The senate foreign relations committee today ordered a favorable report on the Borah disarmament resolution with amendments. In its amended form the resolution requests the President to take up with the governments of Great Britain and Japan the question of naval disarmament with the view of a prompt conclusion of a treaty for limiting navies.

EVANGELIST SPENDS 18 HOURS IN A CELL

Dr. Morgan Starke, Nationally Known Revivalist, Arrested For Alleged Contempt of Court

DECLARES CELL WAS FILTHY

(By United Press)
Amarillo, Texas, Jan. 20.—Dr. Morgan Starke, nationally known evangelist, was released today after spending eighteen hours in jail here for contempt of court, as the result of a statement made during a revival meeting that he saw a crap game Sunday evening in Canyon, Texas. He described the cell in which he was placed as being filthy. Lawyers told Sheriff Black that the evangelist was being held without justice and the sheriff told Justice of Peace Moorehead, who ordered the arrest of the minister on contempt charges in connection with an investigation of a statement the minister is alleged to have made during a revival meeting when he stated that he saw several of the citizens engaged in a dice game.

The justice was convinced and ordered the minister released.

INTRODUCTION OF NEW COURT BILL IS PLANNED

Will Give Judge Power to Appoint Special Bailiffs to Bring in Talesmen for Jury

MOTIVE FOR IT EXPLAINED

Indianapolis, Ind., Jan. 20.—Senator William A. McCulloch, of Rockport, representing Daviess, Dubois and Spencer county in the state senate, has prepared a bill for introduction providing that judges may appoint special court bailiffs to bring in talesmen for jury service.

Senator McCulloch said the measure was given him by some judges who are his constituents and that it is aimed indirectly at public officials suspected of betraying the public trust.

"For instance," Senator McCulloch said, "if a sheriff were 'crooked' and had control over a regular court bailiff, he could induce the bailiff to 'pack' a jury box, that is, obtain a set of jurors favorable to the accused sheriff. By this bill, the court knowing of such affiliations between the two court attaches could bring in a new bailiff under no obligations to the Sheriff and could thus obtain a 'square deal'."

Senator McCulloch said he does not plan now to introduce any other bills unless meritorious ones are presented to him for introduction. "There are too many laws on the statute books now and not enough of them are being obeyed to the letter," he said.

PROFITS BEYOND REASON

New England Retail Coal Dealers Charged too Much, Witness Says

Washington, Jan. 20.—Some New York and New England retail dealers made a profit beyond reason in buying coal for \$18 and selling it for \$25 a ton, A. W. Riley of the department of justice today told the senate manufacturing committee considering the Calder coal regulation bill.

The retailers profit does not explain all the excessive prices charged to the consumer, he added. He stated that at some of the Pennsylvania mines the consumers were charged \$25 a ton for coal which was sold for \$15 at the mouth of the mine. He stated that the middlemen made profits of \$2.50 when the sold coal to the war department for \$11 per ton.

BILL TO CENSOR MOVIES

Senator Steele Has Been Requested to Introduce Such a Measure

Indianapolis, Ind., Jan. 20.—Senator Claude Steele, of Knox, has under consideration a bill to place a more rigid censorship on moving pictures. Senator Steele received a request from 100 of his constituents at North Judson asking him to introduce such a measure.

It would prevent the exhibition of films showing ace! barroom, burglary and robbery scenes.

The persons signing the request said the amateur crime wave sweeping the state and nation caused by such motion pictures.

EXTEND CREDIT TO EUROPE, HOOVER IDEA

Declares at House Committee Hearing it is Only Way to Solve Economic Depression

HE APPEARS AS A WITNESS

(By United Press)
Washington, Jan. 20.—The only solution to the present economic depression in the United States and throughout the world is the extension of credit to the countries of Europe, Herbert Hoover, former food administrator and mentioned for a prominent place in the cabinet of the next administration, told the house agriculture committee today.

Hoover launched unexpectedly into the discussion of the world food and economic situation, the subject with which he is most familiarly acquainted, at the hearing of his testimony before the committee.

In the United States, said Hoover, we have a vast supply of raw material which we are unable to market. In Europe the people are unable to purchase it.

Hoover discussed the fact that it was the under consumption in the stricken areas of the world and not because of an over supply of raw material, that the countries are unable to secure a market and establish credit.

If we can devise some system of credit to extend to the foreign nations, there would be an ample market for the raw material, he declared. Hoover said before Germany could be put on a road to recovery her indemnities must be definitely settled.

BILL FORCES MINERS TO REPLACE THE SOIL

Rep. Sherwood Says Much Valuable Land is Rendered Useless by Strip Mine Operators

IS REGARDED UNHEALTHY

Indianapolis, Ind., Jan. 20.—Operators of strip mines would be forced to replace the soil they remove in the process of "strip" mining in Indiana by the provisions of a bill prepared for introduction by Representative Elmer Sherwood of Greene county. The bill has the support of the state department of conservation and the state board of health.

According to Sherwood, much valuable land is being rendered useless by those strip mine operators and is being lost as a source of taxation to the state. The large holes caused by the mining process also breed disease germs, according to Sherwood, because stagnant water stands in them.

The strip mining property, the youthful representative added, frequently depreciates the value of land when it is near a city.

DEFENDANT WINS IN DAMAGE SUIT

Continued from Page One
with the court to strike out certain parts of the complaints.

The two allegations, one in which the railroad is charged with not sounding a whistle or other means of approach, and for being careless and negligent, are asked to be stricken out of the complaints. The defendant maintains that the state legislature by certain acts, has prescribed what the means of sounding an approach shall be used by locomotives and that the allegations concerning carelessness and negligence are not adequately set out in the complaint.

The plaintiff in these three suits asks for \$10,000 judgment in two of them for the death of his two children at the Perkins street crossing, and the third complaint is for the loss of an automobile which was destroyed in the accident.

A case filed recently by Grover Smith against J. Earl Norris, on a complaint for damages, has been sent to Decatur county on a change of venue, as petitioned for by the plaintiff.

AGED WOMAN IS DEAD

Dr. J. B. Kinsinger today received word of the death of Mrs. Ann Miller at Des Moines, Ia. Mrs. Miller was the grandmother of Mrs. Kinsinger, and was 85 years old, having fallen and received a broken hip several weeks ago. Dr. and Mrs. Kinsinger only recently returned from visiting her. The funeral will be held Saturday with burial at Kirksville, Mo., and Mrs. Kinsinger will attend the services.

Get Acquainted! 8 DAY SPECIAL SALE!

Starting Saturday, January 22 and Continuing Until Tuesday, Feb. 1st

For the Family Table

Not so very long ago the thought occurred to us, Why couldn't Oleomargarine be churned like butter in such a way as to eliminate that oily texture and after flavor that is very distasteful and kept many from using. We were sure that Oleomargarine was not made right.

After a good many months experimenting, we were finally successful and today MIOLO is churned like butter—tastes like butter—has the natural butter texture. The minute you open the carton you notice the sweet buttery aroma of MIOLO.

Such arrangements have been made with the following dealers that they have MIOLO fresh from our churns at all times and at almost half the price paid for butter fat.

Just try one pound with our money back guarantee.

WABASH MARGIN IS ONLY A FEW POINTS

"Second Wonder Five." Doped to
Defeat DePauw Ball Tossers.
Wins by Close Score

DEFENSE OF BOTH STUBBORN

Crawfordsville, Ind., Jan. 20—
Battling fiercely every step of the way and for every single point, Wabash nosed out DePauw here tonight, 22 to 19. The defense of each was so stubborn that neither could penetrate possible scoring territory with any success and what field goals were made were the result of long shots from hurried dribbling down the center or side of the floor. Mendenhall gave one of the greatest exhibitions of basketball class ever witnessed here and to him must go the lion's share of the credit for the wonderful fight of the Tigers.

White started the scoring two minutes after the start of the game with a field goal but the Tiger lead was short lived. Goldsberry and Adams swishing the net for the points that gave Wabash the advantage that DePauw's most furious efforts could not overcome. By the end of the first half the Cave-men clutched a 12-to-8 lead, maintaining with dogged determination their slight margin.

The lineup and summary follows:
Wabash (22) DePauw (19)
Adams -----F----- Cannon
Schlauba -----F----- Gipson
Goldsberry -----C----- White
Burns -----G----- Mendenhall
Grater -----G----- Young
Substitutions — Stasand for
Adams, Adams for Stasand.

Field Goals—Goldsberry 4, Stasand 3, Adams, Mendenhall 5, Cannon, White.

Foul goals—Goldsberry 6, Cannon 4, Gipson.

MORRISTOWN LOSES TO CARTHAGE FIVE

Rush County High School Team Defeats Visitors in Exciting Over-time Contest

CAPT. MOORE OUT OF GAME

Carthage high school won an exciting game last night on the floor at Carthage, when they defeated the fast Morristown high school, in a five minute overtime game, 18 to 14. Capt. Moore of the Carthage team was unable to play and Heathcock, center, was out in the last half.

The first half ended 10 to 6 in favor of Morristown, and "Lucky" Black, the star of the second team, was sent in at forward, and the score was tied by him, when he made two spectacular shots, and he repeated in the overtime period.

Stewart, guard for Carthage, and Harmon for Morristown, also were stars of the game. The last half was exciting and for the first eight minutes of play neither team scored. The second team from Carthage also won from the visiting second team, 17 to 2.

Carthage plays at Manilla Friday night. On Nov. 12 Manilla lost at Carthage by a lone point, 15 to 14, and the game Friday no doubt will be a thriller.

GETS BROKEN COLLAR BONE

Charles Grubbs of New Salem Injured in Basketball Game

Charles Grubbs of near New Salem, playing on the New Salem independent basketball team, sustained a broken collar bone in the curtain raiser to the basketball game between a Connersville and New Salem colored five, at the Modern Appliance building Wednesday night.

The New Salem independent team won from the Eagles quintet of this city in the curtain raiser, 11 to 6, but in the main game the New Salem colored team was defeated by Connersville, 25 to 4.

There was a dance attended by thirty couple, following the game, and good music was provided.

MORROW TESTIFIES AT
SENATE COAL PROBE

Says Most Mines Were 100 Percent
in Production in West Virginia
Last Summer

RAILROADS ARE BLAMED

(By United Press)

Washington, Jan. 20—Admission that perhaps most mines were 100 percent in production in the West Virginia field last summer, was made by G. A. Morrow, vice-president of the National Coal association before the senate manufacturing committee Wednesday.

Morrow made this statement under examination by Senator Walsh, Massachusetts, a member of the committee, which is considering the Calder bill for government regulation of the coal industry.

Previously Morrows had said that the reports of high coal prices paid by consumers and producers were highly exaggerated.

Determining the average profit made by the miners, he stated that the operators made on the average of 36 cents per ton for the first nine months of 1920. The average mine prices were \$3.47 and the producers cost \$2.76 per ton, he said.

Half of the margin remaining was taken by taxes and interest, he also stated. The switchmen's strike last spring which consequently tied up the transportation system, was the real cause of the coal shortage and higher prices, the witness said.

MALE QUARTET IN CONCERT

Warwick Organizations Entertains
Fair Sized Audience

The Warwick male quartet gave an hour and a half program to a fair sized crowd at the Graham Annex auditorium Wednesday night and was freely applauded, being compelled to give an encore for every number. The offering of the quartet as a whole seemed to meet with more general approval than any other sections. There were also piano solos, vocal solos and readings.

The concert was one of the regular numbers on the lyceum course being given by Rush post No. 150 of the American Legion.

MURDER MYSTERY IS BASIS OF TRIAL

Calling of Mrs. Peete's Case Recalls One of Most Baffling Enigmas of Crime History

HELD IN JAIL SINCE OCT. 27

Los Angeles Woman is Accused of Killing Jacob C. Denton, Wealthy Mining Man

(By United Press)
Los Angeles, Cal., Jan. 20.—With the bringing to trial of Mrs. Louise Peete, charged with the murder of Jacob C. Denton, wealthy mining man, in the superior court here Wednesday, one of the most baffling murder mysteries of recent years approached a climax.

Confined in the county jail since her indictment and arrest on October 27, Mrs. Peete has maintained the same composure she exhibited during the weeks of investigation following the discovery of Denton's body buried in the basement of his home. The body was discovered late in September, nearly four months after Denton disappeared on June 2.

Mrs. Peete, cultured and refined, mother of pretty four year old Betty Peete, and tenant in the Denton home at the time the mining man dropped from sight, immediately became the central figure in the investigation made by private detectives and police. She was at that time living in Denver and voluntarily returned here to aid the authorities.

For nearly four weeks she was questioned by District Attorney Woolwine and his assistants, while being held under surveillance in the La Crescenta hotel here. The county grand jury finally voted an indictment charging her with first degree murder.

While the defense has not yet revealed the extent of its case, it is expected to center about the claim that Mrs. Peete is the "victim of circumstances" and that she is innocent.

Mrs. Peete will be defended by Public Defender Walter J. Wood, recently elected a judge of the superior court. District Attorney Woolwine will direct the prosecution in person, with Chief Deputy Doran assisting.

Among the unusual ramifications

In a Gambler's Market

A clerk's error, adding three ciphers to a thousand-bushel selling order, caused wheat to fall 8¼ points on the Chicago Board of Trade last October. It didn't change the world's wheat supply by a single grain or affect actual wheat needs by so much as a crust of bread, but every farmer whose wheat was marketed that day lost money as a result.

A short time before, the market was sent tumbling by a false cablegram announcing that France had a big harvest of wheat.

When a clerical error or baseless rumor can rob the farmer of millions, some remedy *MUST* be found.

A practical remedy is knowledge of world markets. Accurate information on all foreign crops can be gathered and given out. This would make supply known and demand steady.

The Farm Bureaus aim to prevent costly price fluctuations by this means. They believe in the "light cure" as a remedy for distribution evils. And you can help! If you are not a Farm Bureau member, join today.

In your individual effort to contribute toward the improvement of farm conditions, you

will find THE COUNTRY GENTLEMAN a powerful ally. With a large staff of editors and contributors covering every corner of the land—even studying foreign markets—THE COUNTRY GENTLEMAN presents each angle of our national farm problems in the most helpful and interesting way. It warns you of causes for price changes before they occur; helps you to make money, entertains and inspires you—all for just \$1.00 for 52 big issues. Send a dollar bill—or your check is good!

of the case was the circumstance of the accused woman having occupied the Denton house for several months after Denton "disappeared." During that time according to the statements of witnesses before the grand jury, Mrs. Peete sublet the home; "loaned" Denton's automobile to a friend; disposed of a considerable quantity of Denton's clothing; asked a friend to pawn a diamond ring (later identified as having belonged to Denton); bought dresses at a local store in the name of Mrs. J. C. Denton, deceased wife of the dead man; and cashed several checks on which the name of Denton had been forged. These and circumstantial evidence will be the backbone of the prosecution's case, it is said.

According to the district attorney's office the alleged murder was committed for financial gain. It is held that Denton was shot through the neck in the kitchen of his home, early on the morning of June 2, just before he was to have left for a visit to the east.

The prosecution will contend that after killing Denton, Mrs. Peete dragged his body to the basement and covered it up with several feet of earth which was taken there from the flower beds in the rear of the home. Several witnesses who appeared before the grand jury testified that large quantities of lime and cleaning preparations were delivered to the house and paid for by Mrs. Peete, on June 2, and subsequent days. Discovery of a large blood clot under the linoleum in the kitchen gave credence to the theory that Denton was killed there.

Discovery of the badly decomposed body was made after private detectives were employed by Frances Denton, 16, his daughter, who, was living in Phoenix, Arizona, with her mother, divorced wife of the mining man.

Mrs. Peete's husband, a semi-invalid and former automobile salesman, was expected to attend the trial. He came here from Denver with his wife, though he had shortly before entered suit for divorce.

Mrs. Peete was born in Louisiana and had been married once before to Peete in Denver in 1915. Her former husband secured a divorce in Dallas, Texas, in 1912.

AUTO ACCIDENT

BASIS FOR SUIT

Edward L. Brown, 8 Years Old, Son
of Cliff Brown, Asks \$5,000
Damages of Howard Warner

NINE NEW CASES ARE FILED

Two Husbands, Paul Spacey and
Lewis F. Lytle, Seek Divorces—
Suits For Small Judgments

The outgrowth of an accident in front of the Circleville school house last March, today resulted in the filing of a \$5,000 damage suit, when Edward L. Brown, an 8 year old boy son of Cliff Brown, brought suit for an amount against Howard Warner, who is alleged to have struck the plaintiff with his automobile, while the school hack was being loaded with children late in the afternoon.

According to the complaint Warner was driving his automobile south of the road, and the automobile used for transporting school children was in front of the school, loading pupils to take them home.

The young boy, it is alleged, was struck by the machine knocked down and rendered unconscious for four days; suffered a broken left arm, bruised head, legs and body, from all of which he has not permanently recovered.

The complaint states that Warner drove his machine in a careless, reckless and negligent manner, at an excessive rate of speed, from 30 to 5 miles an hour.

The above suit was filed together with eight others, by Chauncey T. Duncan, an attorney, who represented all of the plaintiffs.

One action has been filed by Orville R. Kitchum against Gifford Cook and others to foreclose an automobile loan and for an account, in which \$100 judgment is demanded. Alden Coulter and Ray Hunsinger, a firm doing business under the name of Coulter and Hunsinger, have also sued Gifford Cook, on a complaint on a note demanding \$175 and on an account demanding \$30 judgment.

Two divorce actions also are included in the suits filed today. In each case the husband seeks a separation from the wife.

Paul Spacey, in his complaint against Ida May Spacey, alleges that they were married in November, 1915 and separated December 30, 1920. He maintains that she was quarrelsome, pouty, cold and illnatured, and used profane and bad language toward the plaintiff. He further says that she did not try to keep house. The plaintiff also asks the custody of their two children, stating that his wife is not a fit person to rear them.

SWEEPSTAKES WON BY ARGUS WAGONER

Orange Township Man Who Took
Cup at Rush County Corn Show
Victorious in Iowa

CLASSES OPEN TO THE WORLD

The class of the corn displayed at the annual Rush county corn show last month is disclosed by the announcement today that the single ear of white corn, with which Argus Wagoner of Orange township won the single ear sweepstakes here, also took the single ear sweepstakes prize at the show held by the Southern Iowa Breeders' association, at Oskaloosa, Iowa recently.

The Iowa show was open to the world and Mr. Wagoner had some stiff competition in the single ear class as well as in the class for ten ears of yellow corn in which he won fourth prize.

The fact that the Iowa show was open to the world indicates that the judge at the Rush county show was not mistaken when he said that the prizes here were such that Rush county growers need have no fear of opening class to all comers at the next show.

Mr. Wagoner's prize money in the Iowa show amounted to \$20.

WILL HAVE CLASS MONDAY

Knights of Pythias to Initiate 12—
At Morristown Wednesday

Approximately twelve candidates from Milroy and Rushville will be given the first degree in amplified form at the meeting of the Knights of Pythias lodge next Monday evening. The local degree team will give the work.

About thirty members of the Rushville lodge attended the meeting of Morristown lodge Wednesday evening when a class of fourteen candidates were initiated. The local staff gave the first degree in amplified form and the second and third was given by the Morristown lodge. A banquet was served by the ladies aid society of a Morristown church.

Pictures and Charts to be Used
in Illustrating Addresses

The program was announced today for the agricultural short course which will be held at the Graham Annex auditorium February 2 and 3.

It includes, in addition to lectures by the three experts provided for the course, a large number of demonstrations and several musical numbers by Rushville people.

The lectures will be given by Prof. P. G. Holden, educator and agricultural leader, who discusses all farm and community subjects; Miss Zella Wigent, who teaches home conveniences, poultry, birds, demonstrates canning and pressure cooking; and R. R. Robertson, who will discuss in lectures, fruit, potatoes, farm crops and soil.

Eight reels of agriculture moving pictures and many charts will be used to illustrate the lectures. There will be a box in which people attending the course may leave questions, which will be answered by the lectures at each session. The program will be as follows:

Wednesday February 2

1:30 p. m. Mens Session.

Music, Sparks' Quartet.

Reading.

"Fitting Live Stock in the System of Farming," Prof. Holden.

"Lime and Legumes," Mr. Robertson.

Question Box.

1:30 Women's Session.

Music, High School Glee Club.

"Making Mothers' Work Easier," Miss Wigent.

Vocal Duet, Mrs. Behr and Mrs. Green.

"Keeping Well," Miss Wigent.

Motion Picture—"Milk Nature's Perfect Food."

7:30 p. m. Joint Session.

Music, High School Band.

"Communities are made of Folks—Not Farms, Houses and Factories," Prof. Holden.

Vocal Solo, Irene Reardon.

Motion Pictures—Farm Inconveniences, Household Conveniences.

Thursday, February 3

10:00 a. m. Joint Session.

Music.

"Better Country Schools for our Boys and Girls"—Prof. Holden.

"School Lunches, Hot and Box," Miss Wigent.

Motion Picture, Make More Money From the Farm Poultry.

Question Box.

1:30 p. m. Men's Session.

Orchestra.

Lecture on Corn—Prof. Holden.

Lecture on Soil Fertility—Mr. Robertson.

Question Box.

1:30 p. m. Women's Session.

Music—Girls' Glee Club.

Pressure Canning of Meat, Miss Wigent.

Music.

"Fight The Fly" Miss Wigent.

Question Box.

The above program is subject to any suggestions.

MURDER TRIAL TO BEGIN ON MONDAY

Fate of Fred Dunn Accused of Kill-
ing Wife Will Once More be
Given Over to the Jury

SPECIAL JURY IS CALLED

Thirty Names Draw Because Dunn
Was Tried Earlier in The
Same Court Term

For the second time this term of court, Fred Dunn, accused slayer of his wife Cordelia Dunn, will go on trial in the Rush circuit court, beginning on Monday. Dunn's previous trial opened the present term of court and indications now are that his trial will end the same term.

In the former trial, which took up an entire week, the jury failed to reach an agreement and was discharged as far as this case was concerned. Because of the regular panel having been on the jury before, Judge Sparks today ordered a special venire of 30 names drawn to report for Monday morning.

It is thought probable that a jury to try the case will not be obtained from these and that talisman will have to be pressed into service from the outside.

Dunn has been in jail since the crime was committed last September. Only on one or two occasions has he been removed from the cell since his confinement, those times being when his former trial was in progress and once or twice for getting a shave and hair cut.

The defendant is white, having what is known as jail pallor, because of the long confinement. His appetite is said to be very good, but he talks very little to anyone, and Sheriff Jones stated today that he does not pay much attention to the fact that his trial will begin on Monday.

During the time since his former trial both sides have added evidence the defense basing their plea on insanity, while the state will attempt to prove that the defendant has a criminal record, and that the killing of his wife was premeditated.

The question of his guilt is not a matter for the jury to decide. This fact has been established and is undisputed, but it is up to the jury to decide his fate. The former jury failed to decide upon his fate, four of whom wanting to send him to the criminal hospital for the insane, and eight for life imprisonment. The state in their plea, will demand the death penalty.

The November term of court comes to an end next Saturday, and it is very likely that the entire week will be taken up with the murder trial, and the opening day will most likely be taken up with securing a jury.

FARMERS DECIDE NOT TO SELL POOLED WOOL

Representatives of Township Asso-
ciations Hold Meeting to Decide
on Offer Made

CLIP IS STORED IN CHICAGO

At a meeting of the representatives of the township farmers associations, which compose the Rush County Farmers' association, Wednesday afternoon, it was decided not to sell the Rush county wool crop which was pooled and is now stored in a warehouse in Chicago.

The chairman of the wool committees of the township associations were called together for the purpose of considering an offer which had been made for their wool, and it was decided that the price offered was not large enough to merit acceptance at this time. Wool growers feel that the market will get better as the season progresses.

There was practically no market last fall when the farmers were ready to sell and it was for that reason that they stored their clip in a Chicago warehouse. The wool produced in this county, which was pooled and is now in storage, amounted to a car load.

REVIVAL INTEREST ON THE INCREASE

Both Afternoon and Night Services
at St. Paul's M. E. Church Are
Largely Attended

BIBLE VERBALLY INSPIRED

Dr. L. W. Munhall Answers Ques-
tion at Night Meeting—Shows
Facts of Spiritual Death

The revival meetings in St. Paul's M. E. church are moving along with increasing interest. The attendance at the 3 p. m. meeting yesterday was fine. The evangelist spoke on the subject of "Acceptable Prayer". He pointed out from the Bible the fact that only Christians can offer such prayer; and then called attention to four characteristic conditions—confession, thanksgiving, adoration, (worship) and supplication. He called special attention to the fact that Jacob did not wrestle with the angel but the angel wrestled with Jacob in order to bring him to terms. One does not have to coax God to do what he is more willing to do for him own than a father would be to give bread to his starving son, Dr. Munhall said.

The night service was largely attended, interesting, instructive and enjoyable. There were leading business and professional men present in an unusually large number. The Rev. L. E. Brown, pastor of the Main Street Christian church, made the opening prayer.

Dr. Munhall replied to a question, "Do you believe the Bible is verbally inspired?" He answered sure. If the Bible is at all inspired it must be verbally inspired since it is composed verbally of words, he said. The preacher then took for his text John 5:40; and expounded the same, showing the facts of spiritual death; and that Jesus had brought life and immortality to light in the gospel and that here was nothing to prevent anyone from having it, save their unwillingness to take it.

The conditions are repentance, conversion and faith, Dr. Munhall stated. He explained these scripturally and illustrated them in such practical ways that all thoroughly understood the method of salvation.

CLARA DEMAREE GETS SUSPENDED SENTENCE

Greensburg Woman, Charged With
Conspiracy to Commit a Felony,
Pleads Guilty

ALSO FINED \$25 BY COURT

Clara Demaree this afternoon appeared in the circuit court and entered a plea of guilty to the charge of conspiracy to commit a felony, and was given a sentence of from two to fourteen years at the Indiana State Prison for Women and fined \$25. The sentence was withheld during her good behavior.

The action came as quite a surprise, as the Demaree cases were almost forgotten. Those in the court room today were Dr. D. H. Dean, whose home was robbed by the Demaree brothers, Prosecutor Stevens and L. G. Tremaine, representing the Big Four railroad, and all three of them recommended to the court that the sentence be suspended.

Mrs. Demaree is said to have given out considerable information concerning other robberies, and because she aided in the mystery, the court decided to give her a chance. Her husband, Boaz Demaree, is now serving a sentence, as well as several others who were arraigned in connection with several robberies.

One more defendant, Gregg Alvey, remains to be tried and some action is expected during the next term of court. Mrs. Demaree and all of the defendants lived in Greensburg.

BABY GIRL BORN

A ten and one-half pound baby girl was born Saturday to the wife of Frank Mazingo. The child has been named Mildred Laverne.

TO MAKE CABINET IN SOUTH

Decisions Will be Made by Harding
at St. Augustine, Florida

(By United Press.)
Marion, Ohio, Jan. 20.—The real conferences will take place at St. Augustine, Florida, where President-elect Harding will enter into the actual cabinet making, it was learned today.

There is no Harding cabinet as yet. A shadow is even cast over the selection of Charles Evans Hughes today. He has been mentioned as a favorite for the post of secretary of the state.

Harding's original plan had been made to make public the names of the secretary of state, treasury and one other cabinet officer.

BILL AIMED AT WOMAN VOTERS

Measure Introduced in House Pro-
vides all Citizens of State Shall
Pay Poll Tax

PERMANENT REGISTRATION

Another Bill Would Open Records in
June For Voters Who Have
Moved to Register

(By United Press.)
Indianapolis, Ind., Jan. 20.—A woman poll tax bill and a permanent registration bill found their way into the legislative hopper at today's session of the general assembly.

Representative Bedgood of Lafayette presented the poll tax measure providing that all citizens of the state between the ages of 21 and 75 shall pay a poll tax, which was directed at the new women voters.

The permanent registration bill was introduced by Senator Grayson of Vincennes. It provides the registration books used at the last general election shall constitute a permanent registration of voters and shall be opened in June for registrants who have moved from their precincts.

The senate adopted a resolution which was introduced by Senator Beardsley which says no bill may be introduced after the twenty-fifth day of the session. The report of the committee on rules recommended no changes in the rules.

Representative Davis of Jay county announced the house committee on Judiciary A, of which he is chairman, will hold a public hearing next Tuesday afternoon on Representative Smith's bill which would abolish the public service commission and reestablish the railroad commission. No business of importance was transacted at this morning's session of the house of representatives and that body adjourned after forty minutes in session.

TO HURT AMERICAN MARINE

British Interests in Deliberate Cam-
paign, It is Charged

Washington, Jan. 20.—Charges that the agents of the United States shipping board disapproved of the establishment of an American shipping line out of Newark, New Jersey because it would injure business of the British lines, were made public today by Senator Jones, of Washington.

Charges that the British interests had conducted a deliberate campaign to destroy the American merchant marine, were made, said Jones, and that the international American merchant marine had agreed with the British admiralty to pursue no policy which would be injurious to the British trade.

Our principal competitors for the world trade is Great Britain who will do everything possible to keep us off the sea, Jones said.

FIVE CENT LOAF APPEARS

Kansas City, Mo. Jan. 20.—The five cent loaf of bread was back in Kansas City today. The loaf weighs thirteen ounces and cost 4.14 cents to produce it. The baker of the new Loaf, Frank Cline, stated that the sale of bread jumped from 400 to 600 customers a day.

DEFENDANT WINS IN DAMAGE SUIT

Jury Returns Verdict For Bert Tim-
berman of Near Glenwood, Who
Was Sued for \$2,500

JOHNSON SEEKS NEW TRIAL

Man Recently Found Guilty for Al-
leged Cheating in Hog Sale,
Wants Another Hearing

The jury returned a verdict for the defendant late yesterday afternoon, in the case of Gilbert Reynolds of Connersville, against Bert Timberman of near Glenwood, and only a few minutes were required for them to reach a decision, after getting the case shortly after five o'clock.

Reynolds, the plaintiff in the case, will also have to pay the costs, which will amount to a large sum, as the case required two days for trial, and most of the witnesses were from Connersville.

The case was the outgrowth of an accident in that city over a year ago, when the defendant was said to have driven his automobile into a bicycle ridden by Reynolds. The latter received a broken leg and other injuries.

The plaintiff in this case was represented by Wiles and Root of Connersville and Douglas Morris of this city, and the defendant was represented by C. W. Duncan, of this city.

John M. Johnson, against whom was placed a fine and a ten day jail sentence by a jury recently in circuit court on a petit larceny charge, has filed a motion for a new trial. Johnson, it will be recalled, was found guilty of placing 82 pounds of rock in his wagon, to replace "pork on foot". No action has been taken by the court on his motion for a new trial.

The case of long standing in circuit court, sent here on a change of venue from Fayette county of the F. W. Cook Brewing Company of Evansville against the Hyatt Hotel Company, has been dismissed. The case was to collect on an account, in which several cases of beer were involved, and were sold to the hotel which operated a saloon in Connersville, during the "wet" days.

Evidence concerning support in the divorce case pending by Emmett McGinn against Dora McGinn, which was heard recently, an allowance of \$10 a week has been granted the defendant during the pendency of the divorce case.

The Cincinnati, Indianapolis and Western railroad, which is a defendant in three cases filed recently by Cary Cross, has filed a motion

EUROPEAN RELIEF FUND IS MOUNTING

Total For County Goes to \$1,905.55
and Will Probably Amount to
More Than \$2,000

LAST TOTAL REPORTED \$1845

The fund being raised in this county for the European Relief Council, the organization which Herbert Hoover is sponsoring for the aid of starving children in Europe, has been increased to \$1,905.55 by recent subscriptions which have been received by Robert E. Mansfield.

It was predicted some time ago that the Rush county contributions would mount to \$2,000, but it is now indicated that they will go above that sum. The last total reported was \$1845.55, and since that time the following subscriptions have been made directly to Mr. Mansfield or have been reported as having been sent to the state or national organization or through the Literary Digest:

Sarah E. Ball	\$10.00
John Abercrombie	5.00
John McCoy	5.00
J. L. Endres	10.00
Samuel L. Innis	5.00
Knights of Columbus	15.00
Shuster & Epstein	10.00

The Mauzy Co.

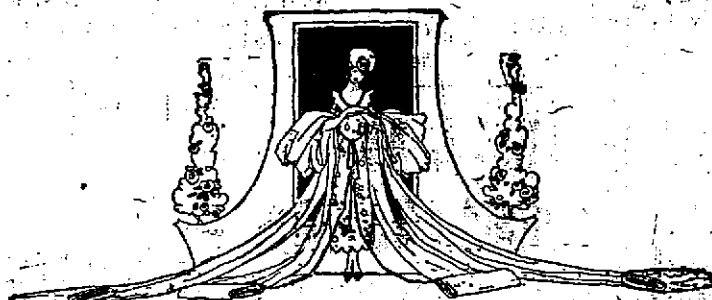

THE MID-WINTER SALE

Of greater significance than ever before in the history of merchandising is the Mid-Winter Sale of this year. It marks the return of lower prices and conscientious effort to repay patrons for the strife of a long era of high prices. Any merchandise purchased in this sale you may know has been reduced radically in this movement to stabilize the low-price level. Your immediate purchase of apparel needs is a forward step in the maintenance of that low-price level.

Our Midwinter SILK Occasion

The public's attitude toward a sale is a true measure of its worth. When there is such enthusiasm, such buying as always attends our silk sales there can be but one conclusion — the values are unmatched.

A RAW, SORE THROAT

Eases Quickly When You Apply a Little Musterole.

And Musterole won't blister like the old-fashioned mustard plaster. It penetrates to the sore spot with a gentle tingle, loosens the congestion and draws out the soreness and pain. Musterole is a clean, white ointment made with oil of mustard. It is fine for quick relief from sore throat, bronchitis, tonsillitis, croup, stiff neck, asthma, neuralgia, headache, congestion, pleurisy, rheumatism, lumbago, pains and aches of the back or joints, sprains, sore muscles, bruises, chilblains, frost-bite, colds on the chest. Nothing like Musterole for croupy children. Keep it handy for instant use.

A CARD OF GREAT IMPORTANCE

Once each season it becomes my pleasant duty to announce to the patrons of the Shubert-Murat Theatre an unusual and wonderful treat which stands out prominently above all other shows of the theatrical year.

Such an event is now about to occur here, and owing to the experience of last season, I desire to serve ample warning to my patrons of an opportunity that should not be neglected.

Last season all known theatrical records in this city were shattered to smithereens by the world's most beautiful production, "Chu Chin Chow," presented here by F. Ray Comstock and Morris Gest.

Theatregoers need scarcely be reminded of the extraordinary demand for seats, of the terrible rush on the box office, of the packed houses and the thousands of would-be patrons who could not get near the box office in order to buy seats.

Nothing like the extraordinary success of "Chu Chin Chow" in this city last season has been known in a generation. It is a gigantic spectacle in 14 big scenes, employing more than 300 people.

Now I am proud and happy to announce that I have just contracted with Messrs. Comstock and Gest to bring "Chu Chin Chow" back for a return engagement, beginning Monday evening, Jan. 24.

Mail orders for all performances during the week of January 24th will now be received. Enclose self-addressed stamped envelope for return of tickets, and enclose proper remittance. Prices—Nights, \$1.10, \$1.65, \$2.20, \$2.75 and \$3.30. Saturday and Wednesday Matinees, \$1.10, \$1.65, \$2.20 and \$2.75. These prices include war tax.

Since "Chu Chin Chow" was here last season, it has been gorgeously outfitted with new costumes, among them 45 new manikin costumes, imported direct from London, and it has played a SECOND engagement at the beautiful Century Theatre, where it had already been played an ENTIRE SEASON. This superb and gorgeous musical extravaganza of the Orient is now in its THIRD YEAR in this country, and it is its FOURTH YEAR at His Majesty's Theatre, London, where Oscar Asche is appearing in it to capacity houses.

If you have not yet seen "Chu Chin Chow," do not miss this last opportunity to see the world's wonder show in all its glory.

NELSON G. TROWBRIDGE, Manager,
Shubert-Murat Theatre, Indianapolis, Ind.

The Best Amusement Organization Ever on Tour Coming to Auditorium, Connersville, Ind. One Night, Monday, Feb. 7

In announcing Guy Bates Post and his excellent company as the best amusement organization ever placed on tour I am only repeating the opinion expressed by every theater manager where this matchless attraction has been presented.

When negotiations began to have Mr. Post REMAIN in the United States during the present season, his manager, Richard Walton Tully, had already completed arrangements to have Mr. Post and his unusually excellent company appear in Mr. Tully's theater in London in both "Omar the Tent Maker" (his former success) and "The Masquerader," in which Mr. Post has been so phenomenally successful the past four seasons.

When Sothern and Marlow announced they would remain in Europe during the present season the Associated Theater Managers of the United States did not relish the plan of having the two leading Dramatic Attractions—Guy Bates Post and Sothern and Marlowe—both absent from America at the same time, and as Mr. Post had but recently toured Australia, it was deemed best to have him again tour the United States before making a prolonged run in London and the English Provinces. The Manager appointed Mr. Tom Campbell, of the Tulane and Crescent Theatres, New Orleans; Mr. L. N. Scott, of Minneapolis and St. Paul Metropolitan Theatres, and Geo. Hood, who represents the entire Northwest, to arrange to have Mr. Post again tour the United States.

Retaining the same excellent company that was to have visited London, will visit the leading cities of the United States, and, excepting for a few minor roles, it is the same company that has presented this unusual success for almost four consecutive and continuous seasons—the same wonderful scenic equipment—with its massive double revolving stage, its two mechanical crews—its triple electrical equipment and inimitable resources that require three mammoth cars to transport, will visit Connersville just one night, Monday, February 7th.

The stage of the Auditorium theatre is large enough to accommodate any attraction that has ever gone on tour, BUT THE STAGE MUST BE CLEARED OF EVERY VESTIGE OF HOUSE SCENERY AND PROPERTIES, AND THE REGULAR CURTAIN REMOVED TO ACCOMMODATE MR. POST'S MASSIVE PRODUCTION.

THE BOX OFFICE WILL BE OPEN FOR REGULAR SALE OF SEATS, THURSDAY, FEBRUARY 3.

MAIL ORDERS will be filled in order received now, when accompanied by cheque or Postoffice money order, together with self-addressed stamped envelope (to avoid error)—add amusement tax of 10%.

The mail orders and advance sale for this unusual attraction will undoubtedly be the largest in the history of the theatre and we earnestly suggest early application for seats.

PRICES—Boxes, \$3.50; First Floor, \$3.00; Balcony, first four rows, \$2.50; Last three rows, \$2.00; Gallery, \$1.00.

Respectfully,

J. C. SCHILLING,

Manager.

No one seated during the prologue. Curtain 8:15
CONNERSVILLE, INDIANA

Personal Points

—Miss Clara Martin is spending the winter in Chicago, the guest of her sister.

—J. D. Case, was expected home today from a business trip to Pennsylvania.

—W. A. Young left this morning on a business trip to Indianapolis and other cities.

—Mrs. Fred Woods went to Shelbyville today for a few days visit with relatives.

—Glenn E. Moore was among the business passengers this afternoon in Indianapolis.

—Dr. E. I. Wooden was among the business passengers this afternoon in Indianapolis.

—Mrs. C. J. Jones of Newport was a visitor in this city today.

—I. L. Endres has returned from Chicago where he has been attending the furniture show.

—Mrs. Nora McGinnis left this morning for Kokomo, being called there on account of the serious illness of her sister, Mrs. Bertha Clessey of that city.

—Vernal Casady of Lakeside hospital, Cleveland, Ohio, has returned to his home after a few days visit here with his parents, Mr. and Mrs. James Casady.

—Mrs. Alva Detmar and Mrs. John Detmar have returned to their home in Franklin, Ind., after spending a few days in this city, the guests of Mr. and Mrs. Alvan Moore.

—Paul T. Colvin has returned to his home in Battle Creek, Mich., after visiting his wife, who has been ill at the home of her parents, Mr. and Mrs. James Gregg in North Harrison street. Mrs. Colvin is now greatly improved.

Amusements

"An Amateur Devil"

A thoroughly enjoyable picture, filled as it is with mirth-provoking situations, is Bryant Washburn's latest Paramount picture, "An Amateur Devil" which will be shown at the Princess Theatre today and Friday. All who have had experience in peepless wooing, kickless kisses and the like, will find this a veritable school of instruction in the art of how and how not to make love.

"An Amateur Devil" tells the funny story of a young man who tries most unsuccessfully to "disgrace the family."

"An Amateur Devil" presents Bryant Washburn in the role of a young man who is too slow to catch cold. His father, a more lively individual, enters into a conspiracy with the young man's fiancée, portrayed by Ann May, to wake him up. The plan succeeds, even more than even they desired. Maurice Campbell directed the production from the scenario by Douglas Bronston.

County News

Freemans

The Misses Mary Patterson and Irene Brickler spent Wednesday night with Florence and Bessie Clark.

Henry Brown returned to Indianapolis Monday.

Mr. and Mrs. Bryan Brown were the guests of Roy Brown and family Sunday.

Charley Kincaid is ill at his home here.

A large crowd attended the church services at Hopewell Sunday.

Mrs. Bob Griner of Andersonville spent Tuesday with Mr. and Mrs. John Linville.

Mrs. Marjorie Linville visited her grandmother at Andersonville Tuesday afternoon.

Mrs. Ed Tarplee spent Saturday evening with her sister, Mrs. Mattie Walters at Clarksburg.

Miss Alma Linville spent Sunday the guest of Mr. and Mrs. Riley Wilson and family.

Mrs. Corrine O'Banyon spent Tuesday night with Dorothy Tarplee.

Several from here attended the sale at Dobyns store Tuesday night.

ERROR IN INITIALS

In announcing the admission of George Y. Hogsett as a partner in the Hogsett dry goods store, Wednesday, an error was made in the initials of J. W. Hogsett. They should have been J. V. instead of J. P. Hogsett as stated. The name of firm henceforth will be Hogsett and Son, the younger Mr. Hogsett having been associated for the past several months in the business, but not as a partner.

KENNEDY CHILD DIES

Mary Louise Kennedy, one year old, daughter of Mrs. Tom Addison of Anderson, formerly Mrs. Herman Kennedy of this city, died at the Indianapolis orphan's home Wednesday of plural pneumonia and the body was brought here today and taken to the home of Lennie Perkins, corner of Second and Julian streets, where funeral services will be held Friday morning at 10 o'clock. Burial will be in East Hill.

AT POSTGRADUATE COURSE

Dr. D. D. Dragoo Taking Special Work in Indianapolis

Dr. D. D. Dragoo, local veterinarian, is in Indianapolis for a few days, attending a post graduate course which is being offered at a veterinary college in that city, and some of the best authorities on swine diseases will address the assembly during the course. Prominent among the speakers is Dr. A. T. Kinsley of Kansas City, who is a recognized authority on small pig vaccination which he will deal at length with while in Indianapolis. Dr. L. A. Merilnat of Chicago will also be on the program; Dr. John F. Devne of New York will have charge of classes dealing on "Sterility in the Cow," and Dr. T. H. Ferguson of Michigan will discuss diseases of cattle.

All of the instructors are picked from leading colleges, and the course will be attended by most of the veterinarians of the state.

LOSE BY ONE POINT

The Carthage Independents "Yankee Five," lost a hard fought game Tuesday night to the Spiceland team 18 to 17. The Carthage team had a lead the first half, 10 to 9, and the game was not won until the final whistle blew.

SMALLPOX IN DECATUR

Two cases of smallpox have been reported at Westport, a short distance from Greensburg, and the victims are from the Milroy vicinity, who are well known here. Paul Rardin, formerly with the Milroy Press, but now editor of the paper at Westport, is one of the victims, and Paul Stewart, a drug clerk, is also quarantined with the disease.

BOND FIXED AT \$10,000

Indianapolis, Ind., Jan. 20.—Alpha Holiday today pleaded not guilty to a charge of using the mail to defraud in a Muncie, Ind., situation. He is charged with offering his customers rates of 50 to 75 percent a month on their investment. He was released on a \$10,000 bond which was signed by his father and an uncle pending grand jury investigation.

FRANK MADDEN IMPROVES

Frank Madden who was operated on several days ago at an Indianapolis hospital for goiter is improving nicely and will return to his home in this city the first of next week.

Zero in Fascination.

Personally we don't know any kind of merchandise that looks less fascinating than a hair switch in a show window.—Dallas News.

The Kidneys

The kidneys are very important organs, because they filter and purify the blood. All the blood in the body is said to pass through the kidneys every three minutes. The kidneys strain and filter out the impurities of the blood—that is their work, and a little nerve which comes from the brain, down through the spinal column, furnishes the power with which the kidneys do their work. What if this little nerve becomes impinged between the bones of the spine where it passes out, and shuts off part of this power with which the kidneys do their work. The kidneys become sick or work overtime and soon you have one of the many kidney diseases. About eight-tenths of our body is moisture and it is said the kidneys have to do with all this moisture.

The human body is generally regarded as a most wonderful and intricate piece of mechanism. The central pivot, upon which hangs every unit of this mechanism, is the vertebral column. The spine thus becomes the most important part of the body.

OUR CHIROPRACTIC ADJUSTMENTS will keep the kidney nerves free from pressure and thereby assist them to perform their proper function.

A Good Example

A recent estimate in the senate placed the cost of the inauguration at \$1,000,000. Of that sum the citizens of the District of Columbia were to raise about \$200,000 and congress was to appropriate about \$100,000. The balance represented the cost of various troops for the big parade, and the expenditures of thousands of civilians who were planning to attend the ceremonies from all parts of the country. By a stroke of the pen President-elect Harding has saved the people that huge sum, and demonstrated once more how close to his heart he holds their welfare.

The communication from Senator Harding expressing his preference for a simple but stately inauguration ceremony involving no extra ex-

pense has received the hearty approval of practically everybody except those who expected to profiteer during the period when Washington would be crowded with inauguration visitors. It is reported that some of the hotels had put their inauguration rates up to \$250 per room and people owning buildings along Pennsylvania Avenue were planning to reap a small fortune from leasing space at windows to watch the parade.

Calling off the elaborate ceremonies will save the government not only the cost of preparing grand stands and reviewing stands but the cost of transporting and caring for soldiers of the infantry, light artillery and cavalry, members of the marine corps and sailors in the navy. During the Taft inauguration the weather was extremely severe, notwithstanding which thousands of soldiers endured the suffering of exposure and many of them were made seriously ill thereby.

At the Wilson inaugural some of the military and other organizations stood in line for many hours before the parade began, suffering for want of food and drink and enduring the hardship of what seemed interminable delay. All this will be avoided as a result of Senator Harding's request that an elaborate inauguration ceremony be dispensed with.

The Decision of The House

When the national house of representatives voted Wednesday not to increase its membership, very good judgment was exhibited because the lower branch of the congress is already so large that it is almost unwieldy. Incidentally it means the loss of one seat in the house for Indiana because of the shift of population in the last decade and may mean a change in the sixth congressional district, of which Rush county is a part.

The vote in the house was some-

what of a victory for Congressman Louis W. Fairfield of this state, who led the fight to prevent an increase in membership. His answer to the charge that present representation was inadequate is that members not only represent their own district but the whole country. With further restriction of their districts they would tend to become more provincial in their thought and the welfare of the nation as a whole would suffer.

"While it is true," declared Mr. Fairfield, "that every member of congress is immediately answerable

to the folks at home and should work diligently for every legitimate interest of the people of his own district, yet in a far larger sense he solemnly obligates himself in the interest of the whole country."

President-elect Harding's decision to make the cabinet republican should not be difficult to carry out, judging from the returns in the last election.

It is very natural for an importer of sugar to oppose an increase in the tariff on that commodity.

THE TREND of LEGISLATION

BY GEO. W. STOUT
State Chamber of Commerce

Indianapolis, Ind., Jan. 20—With proposed general appropriations of \$7,722,198.40 already outlined for the consideration of the legislature, it would appear that something in a practical way had been done to speed business. Usually the appropriation bills do not appear until the session is more than one-half gone, and ordinarily those bills get in the last big tangle and are with extreme difficulty enacted in time to permit the weary law-makers to hie for home at midnight on the final legislative day.

There is a chance, apparently, that the time-honored custom of procrastinating on appropriations is to be done away with this year. However, there are certain measures and issues that are liable to intrude themselves after the manner of wire-entanglements on a battlefield.

Salary-increase bills, while seemingly not popular with the legislators, are certain to consume considerable time for debate and committee consideration, regardless of their final fates. There are to be plenty of these bills. They are bobbing on every wayside bush at this time, and some already have been slipped into the hopper.

The appearance of these salary measures has led to talk of a majority caucus for an exchange of views. Certain majority law-makers hold that it would be political suicide to plunge into indiscriminate salary-increase program at this time.

"Avoid making salary increases" is the general proposition advanced by students of the politics of the situation. The voice of the taxpayer is heard in the land, according to those who keep an ear turned toward that region known to politics as "back home". It is the common view that the taxpayer, under existing conditions, is more or less likely to resent salary-increase activities at the legislature.

Some leaders are inclined to make short shrift of all salary-increase bills, permitting the deserving to suffer for another two years in order that a clean slate for economy may be exhibited by the majority at the close of the session. In this connection the supreme and appellate judges, for whom a salary-increase bill was started, are liable to join circuit and superior judges in the disappointed list. It is reported that the bill to increase the pay of the higher court judges already has been strangled in a senate committee. There is to be a stiff fight against the bill to increase to \$5,000 a year the salary of the city judge in Indianapolis. Notice of this hostility was served immediately upon the advancement in the house of that salary bill with an emergency clause attached as an amendment. One spokesman for economy called the house sharply to attention when this bill was hurried along the channel with its emergency tail flying in the breeze. The result has been a rapid crystallizing of house sentiment on the issue of salaries and the attitude of the taxpayers with reference thereto, as well as the probable attitude of said taxpayer toward the

political party that makes salary-increases.

Today in the house a salary bill on a different basis was receiving some more favorable comment. This bill would take away certain fees from six Marion county officers and put these six officers on salaries more nearly commensurate with their service than the pay they have been getting for many years past.

The bill would save the taxpayers of the county more than \$142,000 a year. A saving of \$142,000 per year from the salaries taken by six county officers offers an astounding item for the contemplation of Marion county taxpayers and for the consideration of the law-makers.

It is shown by the record that the treasurer of Marion county, who also is treasurer of the city of Indianapolis, has taken actual profits of more than \$80,000 a year out of that office. The sheriff, recorder, clerk and auditor also have been getting considerably more than a reasonable profit from their offices. The bill in prospect and pending, which is expected to get a practically unanimous support, provides salaries more than ample and generous, but turns to the county enormous sums in fees which heretofore have been going to private pocketbooks.

It was reported last fall that the county treasurer of Marion county, practically unaided, was meeting the campaign expenses of his party's committee in the local fight. With the revelation of the fact that the treasurer's office has meant a "clean-up" of \$80,000 annually to the holder, there is less wonder because of his generosity as a political "angel" for a needy campaign organization.

Not long ago it was shown that the sheriff of Marion county was taking down \$50,000 a year as clear profit from that office. The office now is good for \$30,000. And so it goes. The Marion county clerk at this time is allowed per diem amounting to some \$22,000 a year and insanity fees, which aggregate a large amount, and \$31,000 in salary, which latter is practically all clear gain.

The senatorial fight, masked back of the primary repeal issue, is expected to absorb a lot of valuable time this session. Opinions differ as to the outcome of this controversy. Gov. McCray, meeting the recent challenge of the primary supporters has placed his pushing power back of the Beardsley senate bill to repeal that part of the primary law which compels aspirants for governor and United States senator to take their candidacies to the men and women of Indiana for a direct vote. So the issue is made and the fight is on. It is generally admitted the women of Indiana are in a position to settle the primary repeal issue one way or another.

Taxation is another issue which is expected to draw heavily upon the time of the law-maker. This vital subject was approached in 1919 with comparatively little preparatory study and the same thing apparently was true as to the special session which made certain amendments that do not work. Time will

tell how well the present session is prepared on the tax question.

where he keeps away from more than one woman at a time."

Mothers Note CHILDREN'S UNDERMUSLINS
What is a greater trouble to the mother than making all the undermuslins for the children. What's the use? We think you can find just what you want here—the assortments are almost unbroken in taped waists, princess slips, gowns, pajamas, bloomers, knickerbockers and drawers.
The Reduction — One-Fourth to One-Third

Outing Nightwear
Brighton-Cardinal, the only kind to be found here—spells the best. No slimpiness and only the best of outing. Billie Burkes, Pajamas, Gowns, night-shirts for men and women, and sleeping garments, with or without feet, for children. Buy the best for the price of the cheapest. It will be an easy matter to note the price, then deduct **One-Third**

Home Journal Patterns
Thousands of satisfied customers in our county use only Home Journal Patterns. There must be a reason. Are you among them? Patterns for February are now on sale, as well as the Style Books.

THE MAUZY CO.

RUSHVILLE, INDIANA

The Mauzy Co.

THESE ARE OPTIMISTIC DAYS
That a great nation-wide readjustment should have been so successfully executed in the short period between two seasons, is a tribute to American industry. This in itself is a sound basis for thorough confidence; a reassurance that we may look to the future with optimism; an inspiration for everyone to work for a real era of prosperity.

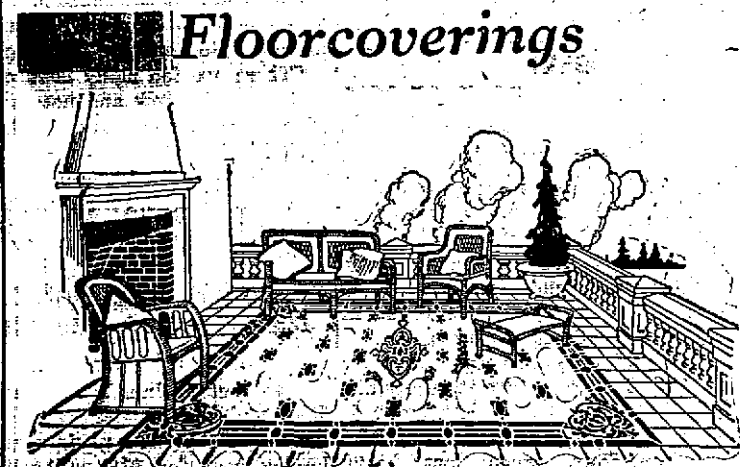

Choose a Separate Skirt Now!
The values are outstanding—the materials and styles all that could be desired. Beautiful plaids, stripes and plains in soft but firm woollens or lustrous silks in regular and stout sizes. There are so many that we cannot quote separate prices but suffice it to say you may save now **One-Fourth to One-Half**

Children's Good Coats
One of the scarcest articles throughout the present season. We do not have a great many left, so it behooves you **HALF PRICE** to act quickly. For ages 3 to 16. Look at the tag, then pay **DO YOU NEED A New Sweater** for the rest of the winter and spring? Such pretty shades as salmon, peacock, American beauty, caramel and turquoise in the new tie-backs, tuxedos and shipovers. Values \$6.00 to \$15.00, cut in two. **Now \$3.00 to \$7.50**
Ladies' Coat Sweaters \$1.95 to \$3.95
Children's Sweaters 95c, \$1.45, \$1.95

Gingham Frocks for Ladies, Misses and Girls
Plaid, stripe or plain gingham, contrived in scores of attractive styles. No doubt you will wish to anticipate your spring requirements at these prices. \$1.50 to \$25.00 Dresses **Now 89c to \$12.50**

Fur Sales Are Now The Rage in August
Why not a **Bathing Suit Sale in February**
We think this would be an innovation, but we desist. Just make a note in your memory, that when the hot summer days come and lake and ocean invite, this store will be prepared to outfit you in suits, caps and shoes—for men, women and children.

Every Housewife would like to have NEW DRAPERIES
This sale means dollars in your pockets, even if you put new draperies on only one room. You are to be turned loose and given the indiscriminate choice of all the sun-fasts, jap silks, chintzes, madras, marquisettes, voiles, nets, ready-made lace curtains and lace paneling. No ifs and ands about it—count it **25%** up, then deduct from the total

Floorcoverings
We propose to give you astounding and outstanding values in anything you wish for your floors. Without question the price will make these goods go fast. This affords a splendid opportunity to furnish a home or to freshen up your present furnishings. To give you an idea of the values —

All Goods Sold at Reduced Prices are for Cash Only

Members of the Psi Iota Xi sorority will hold an exchange Saturday January 29. The place where the exchange will be held will be announced later.

Mr. and Mrs. Ernest McCoy entertained at their home last evening in honor of Mr. and Mrs. Rean of Marion, Ind., who are visiting Mr. and Mrs. Orville Bartlett.

The War Mothers met in the assembly room of the court house yesterday afternoon and held a business meeting. No business of importance was transacted at this meeting.

Mrs. Lewis Sexton assisted by Mrs. John Zeigler and Miss Lenna Buell, entertained twenty-seven members of the Band of Workers of the First Presbyterian church yesterday afternoon at her home in North Perkins street. The regular business meeting and program was carried out and during the social hour a dainty luncheon was served.

Mrs. E. C. McMahon delightfully entertained the members of the Industrial Club today with an all day meeting at her home in West Second street. The ladies spent the day quilting and knotting comforts. At noon a delicious pitch-in dinner was served to the ladies present.

The Marion Social Circle met this afternoon at the home of Mrs. Bert Moorman in North Morgan street. The ladies were entertained with an informal social party during the afternoon and at the close of the meeting the hostess, assisted by Mrs. Tom Kirk, served dainty refreshments.

Mrs. R. R. Stewart, president of the First Baptist Ladies Aid society, entertained the society yesterday afternoon at her home in West Fifth street. A number of the ladies were present and plans were made for an all day quilting and pitch-in dinner next Wednesday at the home of Mrs. Stewart. Supper was also made for a penny supper to be held Friday night, January 28 at the church.

The Ladies Aid Society of the Methodist church of Arlington held a very enjoyable meeting yesterday at the home of Mrs. John Eaton in Arlington. Thirty-nine ladies were present and enjoyed the day quilting. At noon a bountiful pitch-in dinner was served to thirty-two members of the society and the Rev. and Mrs. Daniel Ryan of Morris-town, and members of the Arlington school faculty.

AUTO ACCIDENT

BASIS OF SUIT

Continued from Page One
Lewis F. Lytle in a complaint for divorce from Lorraine Lytle alleges that the defendant was guilty of associating with other men and women of bad reputation, and that she was extravagant and wasted large amounts of the plaintiff's funds in unnecessary living expenses.

The plaintiff states that he resides at 117 East Sixth street, Rushville, and that the defendant is not a resident of this state, but lived in Fort Madison, Iowa, when last heard from. They were married in January, 1919, and separated in January of this year.

Elmer Ryan has filed a petition with the court against Ruth Ryan, his former wife, asking that a decree be modified concerning the custody of their child. He asks for the custody of the child a portion of the time as the decree provides for the divorced wife having the custody. He maintains that the child is 5 years old and that he has not seen it since the decree was issued.

Walter E. Smith has filed a suit to foreclose a chattel mortgage against Henry P. Mook, in which \$200 judgment is demanded. Van E. Lewark has brought suit against Charles L. Stout, on a suit on a note and account in which \$190 judgment is sought.

In the last of the nine suits filed today, the Capitol Lumber company of this city is the plaintiff against Thomas H. Stout, on a complaint on a note, demanding \$100 judgment.

FAVORS DISARMAMENT

Washington, Jan. 20.—The senate foreign relations committee today ordered a favorable report on the Borah disarmament resolution with amendments. In its amended form the resolution requests the President to take up with the governments of Great Britain and Japan the question of naval disarmament with the view of a prompt conclusion of a treaty for limiting navies.

EVANGELIST SPENDS 18 HOURS IN A CELL

Dr. Morgan Starke, Nationally Known Revivalist, Arrested For Alleged Contempt of Court

DECLARES CELL WAS FILTHY

(By United Press)
Amarillo, Texas, Jan. 20.—Dr. Morgan Starke, nationally known evangelist, was released today after spending eighteen hours in jail here for contempt of court, as the result of a statement made during a revival meeting that he saw a crap game Sunday evening in Canyon, Texas.

He described the cell in which he was placed as being filthy. Lawyers told Sheriff Black that the evangelist was being held without justice and the sheriff told Justice of Peace Moorehead, who ordered the arrest of the minister on contempt charges in connection with an investigation of a statement the minister is alleged to have made during a revival meeting when he stated that he saw several of the citizens engaged in a dice game.

The justice was convinced and ordered the minister released.

INTRODUCTION OF NEW COURT BILL IS PLANNED

Will Give Judge Power to Appoint Special Bailiffs to Bring in Talesmen for Jury

MOTIVE FOR IT EXPLAINED

Indianapolis, Ind., Jan. 20.—Senator William A. McCulloch, of Rockport, representing Daviess, Dubois and Spencer county in the state senate, has prepared a bill for introduction providing that judges may appoint special court bailiffs to bring in talesmen for jury service.

Senator McCulloch said the measure was given him by some judges who are his constituents and that it is aimed indirectly at public officials suspected of betraying the public trust.

"For instance," Senator McCulloch said, "if a sheriff were 'crooked' and had control over a regular court bailiff, he could induce the bailiff to 'pack' a jury box, that is, obtain a set of jurors favorable to the accused sheriff. By this bill, the court knowing of such affiliations between the two court attaches could bring in a new bailiff under no obligations to the sheriff and could thus obtain a 'square deal'."

Senator McCulloch said he does not plan now to introduce any other bills unless meritorious ones are presented to him for introduction. "There are too many laws on the statute books now and not enough of them are being obeyed to the letter," he said.

PROFITS BEYOND REASON

New England Retail Coal Dealers Charged too Much, Witness Says

Washington, Jan. 20.—Some New York and New England retail dealers made a profit beyond reason in buying coal for \$18 and selling it for \$25 a ton, A. W. Riley of the department of justice today told the senate manufacturing committee considering the Calder coal regulation bill.

The retailers profit does not explain all the excessive prices charged to the consumer, he added. He stated that at some of the Pennsylvania mines the consumers were charged \$25 a ton for coal which was sold for \$15 at the mouth of the mouth of the mine. He stated that the middlemen made profits of \$2.50 when the sold coal to the war department for \$11 per ton.

BILL TO CENSOR MOVIES

Senator Steele Has Been Requested to Introduce Such a Measure

Indianapolis, Ind., Jan. 20.—Senator Claude Steele, of Knox, has under consideration a bill to place a more rigid censorship on moving pictures. Senator Steele received a request from 100 of his constituents at North Judson asking him to introduce such a measure.

It would prevent the exhibition of films showing aed barroom, burglary and robbery scenes. The persons signing the request said the amateur crime wave sweeping the state and nation caused by such motion pictures.

EXTEND CREDIT TO EUROPE, HOOVER IDEA

Declares at House Committee Hearing it is Only Way to Solve Economic Depression

HE APPEARS AS A WITNESS

(By United Press)
Washington, Jan. 20.—The only solution to the present economic depression in the United States and throughout the world is the extension of credit to the countries of Europe, Herbert Hoover, former food administrator and mentioned for a prominent place in the cabinet of the next administration, told the house agriculture committee today.

Hoover launched unexpectedly into the discussion of the world food and economic situation, the subject with which he is most familiarly acquainted, at the hearing of his testimony before the committee.

In the United States, said Hoover, we have a vast supply of raw material which we are unable to market. In Europe the people are unable to purchase it.

Hoover discussed the fact that it was the under consumption in the stricken areas of the world and not because of an over supply of raw material, that the countries are unable to secure a market and establish credit.

If we can devise some system of credit to extend to the foreign nations, there would be an ample market for the raw material, he declared. Hoover said before Germany could be put on a road to recovery her indemnities must be definitely settled.

BILL FORCES MINERS TO REPLACE THE SOIL

Rep. Sherwood Says Much Valuable Land is Rendered Useless by Strip Mine Operators

IS REGARDED UNHEALTHY

Indianapolis, Ind., Jan. 20.—Operators of strip mines would be forced to replace the soil they remove in the process of "strip" mining in Indiana by the provisions of a bill prepared for introduction by Representative Elmer Sherwood of Greene county. The bill has the support of the state department of conservation and the state board of health.

According to Sherwood, much valuable land is being rendered useless by those strip mine operators and is being lost as a source of taxation to the state. The large holes caused by the mining process also breed disease germs, according to Sherwood, because stagnant water stands in them.

The strip mining property, the youthful representative added, frequently depreciates the value of land when it is near a city.

DEFENDANT WINS IN DAMAGE SUIT

Continued from Page One
with the court to strike out certain parts of the complaints.

The two allegations, one in which the railroad is charged with not sounding a whistle or other means of approach, and for being careless and negligent, are asked to be stricken out of the complaints. The defendant maintains that the state legislature by certain acts, has prescribed what the means of sounding an approach shall be used by locomotives and that the allegations concerning carelessness and negligence are not adequately set out in the complaint.

The plaintiff in these three suits asks for \$10,000 judgment in two of them for the death of his two children at the Perkins street crossing, and the third complaint is for the loss of an automobile which was destroyed in the accident.

A case filed recently by Grover Smith against J. Earl Norris, on a complaint for damages, has been sent to Decatur county on a change of venue, as petitioned for by the plaintiff.

AGED WOMAN IS DEAD

Dr. J. B. Kinsinger today received word of the death of Mrs. Ann Miller at Des Moines, Ia. Mrs. Miller was the grandmother of Mrs. Kinsinger, and was 85 years old, having fallen and received a broken hip several weeks ago. Dr. and Mrs. Kinsinger only recently returned from visiting her. The funeral will be held Saturday with burial at Kirksville, Mo., and Mrs. Kinsinger will attend the services.

Get Acquainted! 8 DAY SPECIAL SALE!

Starting Saturday, January 22 and Continuing Until Tuesday, Feb. 1st

For the Family Table

Not so very long ago the thought occurred to us, Why couldn't Oleomargarine be churned like butter in such a way as to eliminate that oily texture and after flavor that is very distasteful and kept many from using. We were sure that Oleomargarine was not made right.

After a good many months experimenting, we were finally successful and today MIOLO is churned like butter—tastes like butter—has the natural butter texture. The minute you open the carton you notice the sweet buttery aroma of MIOLO.

Such arrangements have been made with the following dealers that they have MIOLO fresh from our churns at all times and at almost half the price paid for butter fat.

Just try one pound with our money back guarantee.

WABASH MARGIN IS ONLY A FEW POINTS

"Second Wonder Five," Doped to
Defeat DePauw Ball Tossers,
Wins by Close Score

DEFENSE OF BOTH STUBBORN

Crawfordsville, Ind., Jan. 20—Batting fiercely every step of the way and for every single point, Wabash nosed out DePauw here tonight, 22 to 19. The defense of each was so stubborn that neither could penetrate possible scoring territory with any success and what field goals were made were the result of long shots from hurried dribbling down the center or side of the floor. Mendenhall gave one of the greatest exhibitions of basket ball class ever witnessed here and to him must go the lion's share of the credit for the wonderful fight of the Tigers.

White started the scoring two minutes after the start of the game with a field goal but the Tiger lead was short lived, Goldsberry and Adams swishing the net for the points that gave Wabash the advantage that DePauw's most furious efforts could not overcome. By the end of the first half the Cavemen clutched a 12-to-8 lead, maintaining with dogged determination their slight margin.

The lineup and summary follows:
Wabash (22) DePauw (19)
Adams F Cannon
Schanlaub F Gipson
Goldsberry C White
Burns G Mendenhall
Grater G Young
Substitutions — Stasand for Adams, Adams for Stasand.

Field Goals—Goldsberry 4, Stasand 3, Adams, Mendenhall 5, Cannon, White.
Foul goals—Goldsberry 6, Cannon 4, Gipson.

MORRISTOWN LOSES TO CARTHAGE FIVE

Rush County High School Team Defeats Visitors in Exciting Overtime Contest

CAPT. MOORE OUT OF GAME

Carthage high school won an exciting game last night on the floor at Carthage, when they defeated the fast Morristown high school, in a five minute overtime game, 18 to 14. Capt. Moore of the Carthage team was unable to play and Heathecock, center, was out in the last half.

The first half ended 10 to 6 in favor of Morristown, and "Lucky" Black, the star of the second team, was sent in at forward, and the score was tied by him, when he made two spectacular shots, and he repeated in the overtime period.

Stewart, guard for Carthage, and Harmon for Morristown, also were stars of the game. The last half was exciting and for the first eight minutes of play neither team scored. The second team from Carthage also won from the visiting second team, 17 to 2.

Carthage plays at Manila Friday night. On Nov. 12 Manila lost at Carthage by a lone point, 15 to 14, and the game Friday no doubt will be a thriller.

GETS BROKEN COLLAR BONE

Charles Grubbs of New Salem Injured in Basketball Game

Charles Grubbs of near New Salem, playing on the New Salem independent basketball team, sustained a broken collar bone in the curtain raiser to the basketball game between a Connersville and New Salem colored five, at the Modern Appliance building Wednesday night.

The New Salem independent team won from the Eagles quintet of this city in the curtain raiser, 11 to 6, but in the main game the New Salem colored team was defeated by Connersville, 25 to 4.

There was a dance attended by thirty couple, following the game, and good music was provided.

**"They WORK
while you sleep"**

Do you feel bilious, constipated, head-achy, upset, full of cold? Take one or two Cascarets tonight for your liver and bowels. Wake up with head clear, stomach right, breath sweet and feeling fine. No griping, no inconvenience. Children love Cascarets too. 10, 25, 50 cents.

Piles Cured in 6 to 14 Days

MORROW TESTIFIES AT SENATE COAL PROBE

Says Most Mines Were 100 Percent in Production in West Virginia Last Summer

RAILROADS ARE BLAMED

(By United Press)
Washington, Jan. 20—Admission that perhaps most mines were 100 percent in production in the West Virginia field last summer, was made by G. A. Morrow, vice-president of the National Coal association before the senate manufacturing committee Wednesday.

Morrow made this statement under examination by Senator Walsh, Massachusetts, a member of the committee, which is considering the Calder bill for government regulation of the coal industry.

Previously Morrow had said that the reports of high coal prices paid by consumers and producers were highly exaggerated.

Determining the average profit made by the miners, he stated that the operators made on the average of 36 cents per ton for the first nine months of 1920. The average mine prices were \$3.47 and the producers cost \$2.76 per ton, he said.

Half of the margin remaining was taken by taxes and interest, he also stated. The switchmen's strike last spring which consequently tied up the transportation system, was the real cause of the coal shortage and higher prices, the witness said.

MALE QUARTET IN CONCERT

Warwick Organizations Entertains Fair Sized Audience

The Warwick male quartet gave an hour and a half program to a fair sized crowd at the Graham Annex auditorium Wednesday night and was freely applauded, being compelled to give an encore for every number. The offering of the quartet as a whole seemed to meet with more general approval than any other sections. There were also piano solos, vocal solos and readings.

The concert was one of the regular numbers on the lyceum course being given by Rush post No. 150 of the American Legion.

MURDER MYSTERY IS BASIS OF TRIAL

Calling of Mrs. Peete's Case Recalls
One of Most Baffling Enigmas
of Crime History

HELD IN JAIL SINCE OCT. 27

Los Angeles Woman is Accused of
Killing Jacob C. Denton,
Wealthy Mining Man

(By United Press)
Los Angeles, Cal., Jan. 20.—With the bringing to trial of Mrs. Louise Peete, charged with the murder of Jacob C. Denton, wealthy mining man, in the superior court here Wednesday, one of the most baffling murder mysteries of recent years approached a climax.

Confined in the county jail since her indictment and arrest on October 27, Mrs. Peete has maintained the same composure she exhibited during the weeks of investigation following the discovery of Denton's body buried in the basement of his home. The body was discovered late in September, nearly four months after Denton disappeared on June 2.

Mrs. Peete, cultured and refined, mother of pretty four year old Betty Peete, and tenant in the Denton home at the time the mining man dropped from sight, immediately became the central figure in the investigation made by private detectives and police. She was at that time living in Denver and voluntarily returned here to aid the authorities.

For nearly four weeks she was questioned by District Attorney Woolwine and his assistants, while being held under surveillance in the La Crescenta hotel here. The county grand jury finally voted an indictment charging her with first degree murder.

While the defense has not yet revealed the extent of its case, it is expected to center about the claim that Mrs. Peete is the "victim of circumstances" and that she is innocent.

Mrs. Peete will be defended by Public Defender Walter J. Wood, recently elected a judge of the superior court. District Attorney Woolwine will direct the prosecution in person, with Chief Deputy Doran assisting.

Among the unusual ramifications

In a Gambler's Market

A clerk's error, adding three ciphers to a thousand-bushel selling order, caused wheat to fall 8¼ points on the Chicago Board of Trade last October. It didn't change the world's wheat supply by a single grain or affect actual wheat needs by so much as a crust of bread, but every farmer whose wheat was marketed that day lost money as a result.

A short time before, the market was sent tumbling by a false cablegram announcing that France had a big harvest of wheat.

When a clerical error or baseless rumor can rob the farmer of millions, some remedy **MUST** be found.

A practical remedy is knowledge of world markets. Accurate information on all foreign crops can be gathered and given out. This would make supply known and demand steady.

The Farm Bureau aims to prevent costly price fluctuations by this means. They believe in the "light cure" as a remedy for distribution evils. **And you can help!** If you are not a Farm Bureau member, join today.

In your individual effort to contribute toward the improvement of farm conditions, you will find THE COUNTRY GENTLEMAN a powerful ally.

With a large staff of editors and contributors covering every corner of the land—even studying foreign markets—THE COUNTRY GENTLEMAN presents each angle of our national farm problems in the most helpful and interesting way. It warns you of causes for price changes before they occur, helps you to make money, entertains and inspires you—all for just \$1.00 for 52 big issues. Send a dollar bill—or your check is good!

of the case was the circumstance of the accused woman having occupied the Denton house for several months after Denton "disappeared." During that time, according to the statements of witnesses before the grand jury, Mrs. Peete sublet the home; "loaned" Denton's automobile to a friend; disposed of a considerable quantity of Denton's clothing; asked a friend to pawn a diamond ring (later identified as having belonged to Denton); bought dresses at a local store in the name of Mrs. J. C. Denton, deceased wife of the dead man; and cashed several checks on which the name of Denton had been forged. These and circumstantial evidence will be the backbone of the prosecution's case, it is said.

According to the district attorney's office the alleged murder was committed for financial gain. It is held that Denton was shot through the neck in the kitchen of his home, early on the morning of June 2, just before he was to have left for a visit to the east.

The prosecution will contend that after killing Denton, Mrs. Peete dragged his body to the basement and covered it up with several feet of earth which was taken there from the flower beds in the rear of the home. Several witnesses who appeared before the grand jury testified that large quantities of lime and cleaning preparations were delivered to the house and paid for by Mrs. Peete, on June 2, and subsequent days. Discovery of a large blood clot under the linoleum in the kitchen gave credence to the theory that Denton was killed there.

Discovery of the badly decomposed body was made after private detectives were employed by Frances Denton, 16, his daughter, who, was living in Phoenix, Arizona, with her mother, divorced wife of the mining man.

Mrs. Peete's husband, a semi-invalid and former automobile salesman, was expected to attend the trial. He came here from Denver with his wife, though he had shortly before entered suit for divorce.

Mrs. Peete was born in Louisiana and had been married once before to Peete in Denver in 1915. Her former husband secured a divorce in Dallas, Texas, in 1912.
